

## VISITING FACULTY

**Dr.A.Llamparithi** igniting the young minds

Why nano with **Dr. C.Vedhi**

Recapulating the basics of Groups and Matrices

### **National Science day celebration**

**Dr. Haresh M. Pandya, Chikanna Govt. Arts College- “Scientific ideas that have shaped the world”**

**Dr. N. Ponpandian, Bharathiar University - “Basics of Nanoscience and its applications”**

**Dr. M.G. Sethuraman, Gandhigram Deemed University - “Science for Tomorrow”**

## Workshop

**Dr.S.Murugan**, leading towards Microscale experiments

Entrepreneurship Development Programme on **“Preparation of Household Materials”**

**Dr.S. Manonmani**, Associate Professor and Head,  
**Dr.M.Hema**, Assiatant Professor, **P.S.G** arts and Science College

**Workshop on “Techniques and Skills in Practical Chemistry”**  
**Dr. M. Dhandapani**, Associate Professor, SRMV College of Arts and Science

**Dr. A. Muthusamy**, Assistant Professor, SRMV College of Arts and Science

## HANDS ON TRAINING / RETRAINING

Hands on training on water analysis at AWE CARE Analytical & Research Laboratories, Erode

Chemists on their path towards the transition to microscale experiments to save the macro environment

**Dr.V.Sreeja**, Assistant Professor, & **Dr.P.Abirami**, Assistant Professor,  
Vellalar College for Women, Erode

### **LABORATORIES /INDUSTRIAL VISIT**

A Visit to **Agni steels Pvt.Ltd**, Ingur, Perundurai

Enlightened view about ecotoxicological studies at Salim Ali Centre for Ornithology and Natural history

Enthusiastic entry to TNPL Karur

Visit to “SECAS”- Science Express

A enthusiastic visit to Aavin, Chithode.

Laboratory Visit to Bharathiar University , Coimbatore  
Department of Environmental Sciences and Nano Technology

An Industrial visit to Shripariyur Amman Kraft Papers Pvt Ltd, Sipcot, Perundurai

A Visit to Kangayam Sarvoddhaya Sangh, Kangeyam

An Enthusiastic Visit to Sakthi Sugars, Appakudal, Erode

## SEMINAR/CONFERENCE

**‘Chemistry and Pharma’- An interdisciplinary Approach**  
**Dr.P.S.Mohan**, HOD of Chemistry, Bharathiar University opening up the seminar with his keynote address

**Dr. T.Parimelazhagan**, Professor of Botany, Bharathiar University emphasizing the values and benefits of medicinal plants with his bioperspective view

Inquisitive participant enquiring further **Dr.S.Senthilkumaar**, Assistant Professor of Chemistry,PSG College of Technology on the role of nano carriers in drug delivery.

Enthusiasm of participants being appreciated by certificate presentation in the valedictory function

Interdepartmental National Symposium on “Computational Approaches in Biological Sciences”

Live Streaming session on “Nobel Prize Series India” by Nobel Laureates

National Seminar on “**Current Perspectives in Food Science and Chemistry**” - Inaugural session by eminent persons

**Dr. V. Padma** emphasizing the evolution of food chemistry, food preservation, food safety and future of food science using nano technology.

**Dr. A. Subramania**, Centre Head, Centre for Nano Sciences & Technology, Madanjeet School of Green Energy Technologies, Pondicherry University explained the role of Nanotechnology in various fields like Biotechnology, Health & Medicine, and Agriculture & Food.

**Dr. S. Kanchana**, Professor, Post Harvest Technology Centre, Agricultural Engineering College, Tamilnadu Agricultural University, Coimbatore enlightened the participants on “Appropriate Food Processing Technologies”.

**Dr.S.K. Kavitha**, Assistant Professor, Department of Chemistry, VCW articulated several interesting serendipitous discoveries and value of chemistry in all the matters and activities.

National Seminar on 'Fascinating Fields of Chemistry'

## FACULTY DEVELOPMENT PROGRAMME

Testing Parameters in Textile Chemistry by **Mr.S. Rammohan**, Regional Head, Global Mode and Assesories (Pvt)Ltd, New Delhi

## EXTENSION / OUTREACH PROGRAMME

Awareness and Training programme on “**Organic farming and organic manure preparation**” at Molappalayam village

Distribution of Organic manures to the Farmers by 'Uyir'-Association of Farmers of Organic Farming

A demonstration of preparation of Organic Manures to the Farmers

National Chemistry Week Celebration - **Dr.V.Sreeja**, Assistant Professor of Chemistry emphasizing “Advertence our Environment”

Explaining “e-waste management” by **Dr.S.K.Kavitha**, Assistant Professor of Chemistry, VCW

School Students gaining knowledge about Chemistry- Periodic table and Amazing Experiments by **Mrs.V.Priya**, Assistant Professor of Chemistry, VCW

Valedictory session with the lecture by the Chief guest **Dr. V. Perumal** on “Importance of Chemistry in life”.
