### VISION

Empowerment of Women through quality education.

### MISSION

- ★ To nurture human values through value-based education
- ★ To provide educational opportunities to the rural backward and down trodden women
- ★ To make the first generation scholars globe-trotters and nation builders
- ★ To address the major concerns of our society through new teaching, learning methodologies
- ★ To transform the youth into excellent performers for national development

## ABOUT THE INSTITUTION

The farsighted visionaries of Kongu agricultural region nurtured a dream of educating and empowering the first generation women scholars of the soil, especially from rural and underprivileged sections of the society to become effective leaders and contributors to every sector of the society and this vision led to the inception of the institution in the year 1970. The institution has achieved many groundbreaking milestones and established numerous benchmarking traditions in the course of 50 long years, eventually evolving into the eye of conscience of this region.

The cogent vision and mission of consummate scholastic service has empowered the Institution to achieve and evolve into College with Potential for Excellence in 2010 and currently accorded with the II phase of CPE funds which stands testimony to consistent academic excellence and continuous women empowerment. Conferred with the status of autonomy in 2007 and re-accredited by NAAC with 'A' Grade in 2015 in the third cycle with the CGPA of 3.43, the institution continues to equip the students with intellectual, moral, spiritual and physical credentials to lead a purposeful life. Subsequently, Autonomy Extension was granted in 2019, and the institution has become the proud recipient of ISO certification. These credentials led the institution being recognized under the UGC scheme for mentoring NAAC Accreditation Aspirant institutions to promote Quality Assurance in the Higher Education under PARAMARSH for two years 2019-2021.

The constant and successive academic achievements placed the institution in 87th rank at the national level by the NIRF 2020. UGC has approved the conduct of 6 B.Voc, 2 Advanced Diploma and 1 Diploma Programme from the Academic year 2020-2021 to impart skill based training under National Skills Qualifications Framework (NSQF) with a focus to provide and ensure employability to the beneficiaries. The onset of digital era has changed the academic flavor of the institution. Taking a lead in creating a whole new pedagogy, digital content as a substitute for large-format lectures is developed and delivered by the institution through its collaboration with Spoken Tutorials, IIT Bombay, an initiative of NMEICT, MHRD, GoI. This academic alliance has launched Vellalar College for Women, Erode, as the Nodal Resource Centre (NRC) of Spoken Tutorials, IIT Bombay, in Erode region. Research attitude and aptitude makes the individuals empowered to respond to the ever academic landscape of the institution which is furthered by the financial assistance sanctioned under FIST programme by the Ministry of Science and Technology, Department of Science and Technology, R & D Division, GoI to strengthen research and teaching facilities in all science departments of the college.

Furthermore, under Star College Scheme, the Ministry of Science and Technology, Department of Biotechnology, GoI, has accorded substantial funds to bolster and intensify the Life Science and Biotechnology education and teaching facilities in all science departments of the college. Three Peer-reviewed biannual multidisciplinary research journals (Both online and print versions with DOI, ISBN & ISSN) are released from the portals of the institution which can be accessed online in the digital repository [www.i-scholar.in](http://www.i-scholar.in).

## FROM THE EDITORIAL DESK

It gives me great pleasure to present the first issue of the Newsletter of Vellalar College for Women. It is directed to students, alumni, and faculty members of our college. The intent is to provide the readers with up-to-date information regarding our current academic and research activities, our technical capabilities and other services provided by the Departments. The Newsletter provides a dynamic account of events and summarizes the recent staff and student accomplishment.

### SECRETARY'S MESSAGE

Fortifying and fostering the cause of women's education in the locale for half a century, Vellalar College for Women has made a tremendous mark in the sphere of academics. It has been an authentic portal for the student community to carve a promising self with self-reliance, grit and integrity. Reputed for its high standards in higher education, the college has realigned its teaching pedagogies with technological advancements to address the daunting challenge vis-a-vis COVID-19. In a digitization-driven world, the college adopts myriad means and methods to adapt to this new norm by curating adept tech-friendly teaching and assessments. My hearty appreciations to the vellalite fraternity for undertaking an extraordinary exploratory journey towards unraveling all possible ways and means to champion this unprecedented milieu with great vigour.

### PRINCIPAL'S MESSAGE

Owing to the impact of COVID 19, there is a massive transformation happening across the world in teaching through the virtual mode. It's heartening to mention that the college is taking breakthrough initiatives in scheduling various webinars and assorted online programmes, which serves as vital platforms to acquaint the students with this new mode and also orient themselves on various domains.

With educational institutions shifting to online assessments, our students are familiarized with the know-how of taking online exams with confidence. In order to keep up the employability quotient, the institution implements a well-charted curriculum with a special focus on emerging academic concept and practices. Keen on channelizing their potential in the pursuit of academic excellence, VCW provides an ace ambience for the women children to transform themselves into GenNext women scholars stamping their imprints in the educational landscape.
