

THE ANNUAL QUALITY ASSURANCE REPORT OF THE IQAC

**Name of the Institution : Vellalar College for Women (Autonomous),
Erode-638012**

Year of Report : 2010 – 2011

PART – A

The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the successful accomplishment by the end of the year.

I. To ensure academic excellence and enhance the qualitative performance, the institution has proposed to implement the following programmes during the academic year 2010-2011.

1. Making optimum use of the autonomous status enrolling 3480 at the UG level and 520 students in the post-graduate courses, 97 scholars in M.Phil, 68 research scholars in Ph.D. programmes, the college offers qualitative & inclusive education for the academic upliftment of women students.

2. Designing courses following TANSICHE, norms a vibrant curriculum based on the societal and environmental requirements with the Choice-Based Credit System (CBCS) under cafeteria system has been framed to enhance academic skills, employable skills and life skills of the students', the main stakeholders in Higher Education.

3. Motivating and supporting the faculty members to meet the challenges and growing demands of Higher Education by:

- Enriching and enhancing research by promoting creativity and innovation.
- Participating and presenting papers in National / International Seminars/ Conferences / Workshops..
- Augmenting research activities by publishing works in reputed National / International journals / Magazines / edited books and single authored books.

- Providing research funds to organize National / International Seminars/ Conferences on current topics of academic and social relevance keeping abreast with the global trends.
- Fostering global competitiveness by promoting the use of technology and creating an atmosphere towards quest for excellence.

II. To achieve academic excellence and enhance institutional quality, the following programmes have been successfully implemented during the academic year 2010-2011.

- (a) To envisage the vision statement of the institution, various programmes have been designed to impart value based quality education to empower women and transform them into excellent architects in nation building.
- (b) In order to cater to the needs of the aspiring students and keep abreast of the emerging trends in Higher Education, skill based / choice-based electives under cafeteria system following TANSCH norms have been introduced. Students are motivated to opt for self-learning papers in the UG & PG stream and earn extra credits. M.Sc Computer Science has been introduced this year.
- (c) The institution encourages faculty participation in Research by motivating the faculty members to pursue research on part-time basis. Faculty members are encouraged to present papers in International, National Seminars and Conferences by making use of UGC, PTAC grants and also motivated to participate in International Conferences abroad. The faculty members have benefited by the unstinted support offered by the institution and have displayed their expertise and research acumen in an outstanding manner. A spurt of research activities have been recorded in several disciplines.
 - 3 faculty members were awarded Ph.D.
 - 1 faculty member was awarded M.Phil.
 - 190 faculty members participated in State Level Conferences / National Level Seminars / Conferences
 - 64 faculty members participated in International Seminars/ Conferences.

80 research publications have been brought out in National / International Journals / Edited books and single authored books.

43 Seminars / Conferences / Workshops were organized by various departments.

1 Faculty member attended the UGC Orientation Course conducted by Bharathiar University, Coimbatore.

6 Faculty members attended UGC Refresher Course conducted by Bharathiar University.

13 Ph.D. Scholars were produced.

64 M.Phil Scholars were produced by various Departments.

d. Community Development Programmes have been carried out on a regular and continuous basis for the upliftment of the downtrodden and underprivileged sections of the society. As many as 50 programmes were executed by service units such as NSS, YRC, RRC, Enviro-Club, Bio-health Club, Women Cell, EDP Cell, 'Consumer Club', 'Velichangal' and 'Sigarangal' Forums.

e. Training Programmes for the teaching & non-teaching staff and the students.

Yoga and Meditation

Students of the I year UG classes were introduced to a week-long Yoga & Meditation classes to enable them to develop concentration and self-confidence. They were exposed to various yoga practices to destress the mind and develop physical fitness and mental alertness.

Faculty Development Programmes

A Faculty Development Program 'Resources for Researchers' was organized by the IQAC in co-ordination with the Research Committee on 04.09.2010. Professor M.A.Velusami, Kongu Engineering College, Perundurai and Ms.R.Samyuktha, Librarian, Central University, Pondicherry, were the Resource Persons.

The IQAC and the Counselling Cell jointly organized a Two-Day Faculty Development Workshop on “Teaching Effectiveness Drives – A Personality Focus”, with Dr. P. Suriarajan, Ph.D., Psychologist, educator and counselor from PSAR Consultancy, Madurai, as Resource person.

In connection with Faculty Development Program, a UGC sponsored Workshop on ‘Material Production’ was conducted from 16.11.2010 to 18.11.2010 with Prof.N.Krishnaswamy, Former Professor, CIEFL, Hyderabad and Mrs.Lalitha Krishnaswamy, mentor, author and educational consultant, as resource persons.

A UGC sponsored one-day Program on ‘Competency Building’ for faculty members has been organized jointly by the PG & Research Departments of Commerce and History on 22.03.2011. Dr.S.Selvam, Director, Centre for University – Industry Collaboration, Anna University, Chennai, handled the two technical sessions with a focus on value added teaching to make teaching and learning more effective.

Department of Mathematics organized a UGC sponsored program on ‘Competence Building for Teachers’ on 24.01.2011. Dr.V.Laxmana Gomathi Nayagam, Professor of Mathematics, NIT, Trichy delivered a special lecture on “Enrich Yourself” which helped the teachers to meet the requirement of the era.

A UGC Sponsored program for Competency Building of Teachers on the topic “Thin films and their Applications – Recent Developments” was organized on 22.01.2001. Dr.Sa. K.Narayanadass, Former Professor of Physics & Head, Bharathiar University and Dr.R.Sathyamoorthy, Professor & Head, Department of Physics, Kongunadu Arts and Science College, Coimbatore were the resource persons.

Entrepreneurship training

Skill-based activities were organized by the Entrepreneurship Development Programme Cell to develop application skills and life skills. Students exhibited their creativity and innate capability through multifarious activities.

Students of the department of Costume Design and Fashion exhibited their self-designed articles like toys, glass paintings, house-hold items, fashion accessories and garments in a 'Fashion Dallals' – a two day exhibition–cum-sale which showcased their talents and skill.

One-day workshop about “Computer Aided Designing” on 21.08.2010 motivated the students in free hand fashion designing and accessories making and this knowledge helped the students to improve their designing capability.

A two-day workshop was conducted on “Fabric Painting Techniques”, to enhance the students designing skills.

A two-day workshop on “Various Painting Techniques” educated the students to use their creativity to make innovative products using ceramic, sand and glass materials.

In the mission of weeding out the marketing problems and to empower underprivileged rural women who have organized into SHG's, exhibition-cum-sale of SHG's products in unison with the Mahalir Thittam was organized by the PG & Research Department of Commerce.

To conclude the institution has been providing a vibrant and unique platform for the students, faculty and administrative staff to meet the national and global demands, to help them unleash their potential, make them employable and industry-ready and mould them to be competent in the global job market.

Part – B

I. Activities reflecting the goals and objectives of the Institution.

Vision and Mission of the College

VISION

Empowerment of women through quality education.

MISSION

To nurture human values through value based education.

To provide educational opportunities to the rural backward and down-trodden women.

To make the first generation scholars globe-trotters and nation builders.

To address the major concerns of our society through new teaching, learning methodologies.

To transform the youth into excellent performers for national development.

The vision statement envisages the following objectives:

- Empowerment of women by making use of autonomy for the pursuit of knowledge and innovation, facilitating access, inclusion and opportunities to all, providing for comprehensive and holistic growth of higher education and research in a competitive global environment through a dynamic curriculum that responds to the academic and economic aspirations of the students.
- Conforming to the parameters of academic quality and benchmarking such academic quality with a view to develop global competence for scholars to be globe trotters and nation builders.
- Providing credit-based programmes in a large number of courses to acquaint rural women students to the nuances of changing global environment and make them employable.

2. New Academic Programmes Launched:

To keep abreast of the emerging trends in Higher Education and cater to the needs of the aspiring students, the following new course was introduced during the academic year 2010-2011:

M.Sc Computer Science

a. UGC Sponsored and Bharathiar University affiliated Value added and Career Oriented Programmes :

Department offering the course	Course Title / UGC sponsored Certificate / Diploma / Advance Diploma Course
1. History	Tourism and Hospitality Management- UGC sponsored Add on – Diploma Courses
2. Commerce	Women Entrepreneurship Development Strategic Human Resource Management Banking Management
3. Botany	Bio-Degradable Solid Waste Management
4. Physics and Zoology	Bio Medical Instrumentation
5. Physics and Computer Science	Information & Communication Technology
6. English	Communicative English Multimedia

3. Innovations in Curricular Design and Transaction:

- Introduced Skill-based subjects, under Cafeteria System across majors.
- Non Major Electives – introduced for PG in I Semester and for UG in III & IV Semesters.
- Self learning Papers [SSP] introduced for UG & PG Courses to earn extra credits.
- Student group project has been introduced for final year Chemistry students.
- Project work has been introduced for English & Commerce students.

4. Inter-Disciplinary Programmes Started :

Annexure - I

5. Examinations Reforms Implemented :

Two common Internal Assessment Tests & One Model Examination are conducted for all students with printed question papers.

For a maximum of 100 marks → Max. of 25 Marks for CIA.

For Theory, a maximum of 75 marks → Max. of 20 Marks for CIA.

For Practical, a Maximum of 100 Marks → Max. of 40 Marks for CIA.

For a maximum of 50 Marks → Max. of 20 Marks for CIA.
