7. Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

- New practicals introduced by Core Science departments in the areas of Bio Technology and Bio Informatics
- Interdisciplinary students projects are being carried out
 - Projects on Biorhythm graphs, Dynamics in Cancer Stem Cells, Group theory in Molecular system by students of Mathematics department
 - Projects on algorithm to extract matching pattern in Gene Sequences, to detect the Palindrome sequences in Hemoglobin by students of Computer Science
- Interdisciplinary Faculty Development Programme organized
 - "Gene Clustering using R" workshop jointly organized by the departments of Botany and Computer Science
- In-house development of e-content materials for ICT enabled teaching and learning
- On-line examination of Multi-skill Development Paper and General Awareness for all UG & PG students
- Free education to meritorious sports students to encourage those with sporting skills and good in academic records
- Department of Bio-technology (DBT) sanctioned Rs.58 lakhs under STAR college scheme for three years of which Rs.36 lakhs has been received during the academic year 2015-2016
- A grant of Rs. 80 lakhs is sanctioned by the Ministry of Science and Technology of Government of India to strengthen the research and teaching facilities in all science departments of college under DST-FIST programme in 2014
- Creation of Institutional Repository to archive research output of staff members and photos of memorable moments in the history of the college

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year

- Creation of Institutional Repository - Research publications of Staff members and iconic photographs of the college are collected and archived

- Google Forms created to collect information on activities carried out by the department, activities and achievements of Staff members and Students
- Preparation of e-Brochure – Preparation of handbook on URLs related to Teaching, Learning and Research is under progress

7.3 Give two Best Practices of the institution

Best Practice- I

Title of the practice: ICE Breakers-An Interactive Session- Communication Enhancement Programme

Objective of the practice:

- To foster the language efficiency through easy learning mode like riddles, puzzles, video clippings etc.,
- To enhance communication skill in a relaxed informal way

The Context:

- To ease the transition into college and fill the lacunae in the language competency.

The Practice:

- Word games to foster the memory of the learners.
- 'Role plays' to initiate team building, mutual understanding and a sense of togetherness for holistic development.

Evidence of Success:

- Energetic and lively participation of the students
- JAM and Impromptu speeches bear testimony towards perfectness in sentence formation.

Problems Encountered:

- Effort to track down participation of each student is highly challenging
- Hesitation appears to be a barrier in language learning process.
- Lack of self-motivation among few learners.

Best Practice- II**Title of the practice: Yoga for Youth Empowerment****Objective of the practice:**

- To make the students limber, flexible and remain fit
- To help the students develop a strong and flexible body
- To facilitate students to concentrate better, build confidence and self-esteem
- To strengthen the inner personalities of the students
- To help create an atmosphere of confidence, enthusiasm and non-competitiveness where everyone can succeed

The Context:

Students spend so much of their time in sedentary pursuits. Although hours of studying burn mental energy, both the body and mind need some form of exercise to function at their peak. They are under lots of stress like family pressure, financial fears, academic performance standards and peer groups. All these can take a toll on a student's psyche and success in life.

The Practice:

Since the year 2010, freshers are given training on Yoga Practice in the first semester. Besides Certificate and Diploma course on "Yoga for Youth Development" is offered as a value added course (optional) in collaboration with The World Community Service Centre, Aliyar, India.

Evidence of Success:

- Energetic and lively participation of the students
- Improved relationship with the parents, friends and teachers

Problems Encountered:

- Effort to sustain regular yoga practice by all the students is highly challenging

7.4 Contribution to environmental awareness / protection

The College constantly seeks to promote the Care of environmental resources.

- e-Communication through to reduce the use of papers
- Filament bulbs replaced by CFL bulbs
- To generate environmental awareness among the students, the institute fully utilizes the classes on environmental studies included in the syllabi.
- The NSS volunteers regularly lead campaigns to prevent use of polythene products in the college campus.
- Awareness drives are organized among students on World Environment Day, Ozone Day, World Wild Life Day, Energy Saving Day, etc.,

7.5 Whether environmental audit was conducted? YES

7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

Strengths

- College reaccredited with 'A' grade with a CGPA of 3.43 in cycle III
- College with 'CPE' status
- DST-FIST sanctioned a financial support in Level – 1 category with a grant of Rs. 80 Lakhs. Out of this Rs.69,50,000/ has been received
- Department of Bio Technology, GoI - Star College sanctioned Rs. 58 Lakhs for three years of which Rs 36 Lakhs has been received
- UGC funded 26 Minor Research Projects have been completed and 6 projects ongoing with a cumulative grants of Rs.86.90 lakhs and one ongoing Major Research Project with a grant of Rs.13.41 lakhs
- Wi- Fi enabled campus
- Spacious library with large collection of books and E base facility
- Good infrastructure, Physical facilities and Research ambience
- In house development of e-learning materials in the form of video tutorials and subject gate way
- Well-established Central Research Laboratory promotes interdisciplinary research and consultancy
- Online examinations for Multi-Skill Paper, General Awareness and History for Competitive Exams- Non Major Paper
- Internal communication carried out through Google-Apps
- Add-on courses for skill development conducted
- Conduct of academic audit

Weakness

- Lacking in consultancy services
- Insufficient Institutional / Corporate collaborations
- Faculty & Student Exchange programmes

Opportunity

- Intradepartmental research
- The PG departments of the college have the opportunity of being upgraded into research centers in near future
- Strong support from Alumni, Former Faculty members and other well-wishers
- The accreditation by NAAC has enabled the college to avail development grants and UGC sponsored programmes
- Intensive training to face competitive examinations

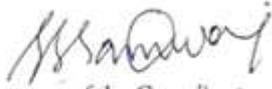

Challenges/threats

- Lack of International exposure to the students
- Balancing academic with extracurricular activities
- Need for consulting assignments
- Need for more industrial training and exposure to the faculty

8. Plans of institution for next year

1. To develop full-fledged Intranet
2. To augment the instrumentation facilities available in the Central Research Laboratory for inter-disciplinary research
3. To enhance Institutional Repository
4. To conduct more National and International Conferences / Workshops / Seminars
5. To release Handbook for Web Sites related to Teaching, Learning and Research
6. To attain Super Resource Centre status of Spoken-Tutorial, IIT-Bombay
7. To strengthen alumni relationship with institution
8. To carry out more outreach programmes with focus on environment

FEEDBACK ANALYSIS

Scope for betterment and excellence is always present in any system. True focus based feedback from the stakeholders plays an effectual role in the enhancement of the system. It is the supportive act intended to achieve the best practice, performance and management, and enables to think constantly about making the current system to facilitate the future plans and actions.

To ensure such critical analysis of the performance, our institution receives feedback from various stakeholders like students, parents, alumni and industry participants. It is obtained in various aspects such as Course Content of the Curriculum, Understandability of the Course, Promotion of research culture and Collaborative learning and Career aspects.

In general the students as well as alumna have expressed their highest degree of satisfaction regarding the curriculum and teaching methodology. Necessary new inputs and modifications are incorporated as per the suggestions provided by the stakeholders. Effective measures are taken to ensure that the graduates are suitable for higher studies, research and industry.

Views on the curriculum

- 94.5% of the students have expressed their satisfaction regarding the standard of the course content of the Curriculum
- 81% of the students from all departments expressed their ease in understanding the course content. Rest 19% of students have felt that it was somewhat difficult to understand.
- Feedback analysis revealed that e-resources are intensively used by a very low percentage of students and hence there is scope for encouraging them to use e-resources to a higher degree
- Peer mentoring is in vogue, both at UG and PG level. However there is a need to motivate them to take up the help of their peers to make learning an enjoyable process.
- 91.5% of the students have expressed their satisfaction regarding the adequacy of resources provided by the faculty.

Views on Infrastructure

- All the stakeholders have conveyed their comfort & contentment regarding the excellent infrastructure available in the campus such as Auditorium, Conference Hall, Library, Laboratories, Internet facilities and Hostel
- Students are highly satisfied with the laboratory facilities provided to every individual student as it enriches their practical skills and widens the conceptual knowledge behind the practical.
- At the same time they have emphasized the need to improve Canteen facility as they felt that it is not up their need and expectation. They have further expressed the need to increase the number of college buses.

As per the suggestions received regarding the areas where the improvement is expected, necessary measures will be taken to rise up to the expectation.
