During the course duration, offline classes are organized every week on Saturdays and online classes are organized on alternative days of a week (4days/week). This course enables the students to acquire knowledge on the syllabus for the exam and proper methodologies to learn and prepare for the same. The beneficiaries are 64 students from various disciplines of Vellalar College for Women (Autonomous) with a common motive to clear the TNPSC Group IV exams.

PARENT-TEACHER ASSOCIATION (PTA)

Co-ordinator: Dr. N.Sabitha, Associate Professor & Head, Department of Nutrition and Dietetics

All the departments conducted Parent Teacher meeting through online and offline mode during the month of October 2021 for the odd semester and discussed on the performance of students. The meeting for even semester was conducted by all the departments during the month of April 2022.

An online awareness programme on “Pandemis and More” was organised on 26.11.2021. Dr.Diego Edwin M.D., Clinical Microbiologist and Infection Control Expert, Associate Professor, SRM Medical College, Tiruchirapalli and consultant Microbiologist in ABC Multispeciality Hospital, Trichy acted as the Resource Person.

He highlighted on the significance of vaccination and shed light on the significant preventive measures and supportive personal care remedies to overcome the pandemic and other viral infectious diseases.

A special meeting on “Build Your Mental Health” was organized online on 27.04.2022. Dr.N.Jeyashanthi, Professor, Department of Biomedical Engineering, Velalar College of Engineering and Technology was the guest speaker. The teachers, parents and students enthusiastically participated to build their mental health during this crisis period of pandemic.

COVID – 19 CELL

Co-ordinator: Dr. N.Sabitha, Associate Professor & Head,
Department of Nutrition and Dietetics

The Covid -19 cell organized meetings with their members on 25.08.2021, 31.08.2021, 13.10.2021 and 22.10.2021. During these meetings, guidelines and precautions to be followed to prevent Covid-19 viral infection, Covid-19 awareness activities, framing of Covid-19 policy and review of SoP followed in our campus have been discussed.

Covid-19 vaccination camps were conducted on 01.09.2021 and 16.09.2021 in association with Erode Corporation and the Primary Health Centers. Around 203 were benefited through these camps. The teaching, non-teaching, students and the public were vaccinated with Covishield vaccine.

The Covid-19 cell also organized a swab testing camp for the students and staff of our college. On 15.09.2021 the lab technicians of Primary Health Centers, Thindal collected the sputum samples from about 67 staff and students and the samples were given for RT-PCR analysis at Erode Medical College Hospital, Perundurai.

Awareness on Covid-19 was created by conducting competitions. Essay competition in Tamil on the topic, “Corona ThaduppumUlaginParvaiyum”, and in English as “Covid-19 - A major concern for the Globe”, and poster presentation on “Outbreak of Covid-19 in India” and Oratorical competition on “Covid-19 and its Impact on Economy” were conducted.

INTERNATIONAL CONFERENCE ON CREATIVE WRITING

(09.03.2022-11.03.2022)

REPORT

If there's a book you really want to read, but it hasn't been written yet, then you must write it.

-Toni Morrison

Creative thoughts come from creative people and those creative souls are among us and within us. Creativity bleeds from the pen of Imagination. To enunciate this idea, A Three Day International Conference on *Creative Writing* in collaboration with Pachyderm Tales was held from 09.03.2022 to 11.03.2022. Extension Activity

Title of the Extension Activity : Preparation of Household Products

Department of Chemistry and UBA jointly organized an extension activity on “Preparation of Household Products” in our adopted village Villarasampatti on 31.03.2022. The preparation of soap oil, phenyl, soap and candle were demonstrated and a hand on training was given among the village people. Students demonstrated each product among the people and cleared their doubts. They were eagerly interacted with our students and learned the procedures for the preparation of household products. 32 members were benefited using this program.

ALUMNI ASSOCIATION

“Erode Vellalar Mahalir Kalluri Munnal Manaviyar Sangam”

Coordinator: Dr.V.Sreeja, Assistant Professor, Department of Chemistry

Alumni meetings were conducted chapter wise to strengthen the bonding between the alumni and the Institution. Alumni Association organized programmes with alumnae as chief guests to facilitate the interaction of alumni and the students.

In order to spread the awareness about women’s rights among adolescent girls and to sensitize them, an awareness programme was organized on 25.03.2022 FN. The Chief Guest **Dr.S.P. Poongodi (1990-93 Batch Zoology Alumna), Advocate, High court of Madras** addressed the students on the topic “**Legal Rights of Women**” and interacted with the audience. 200 students from the department of English, History, Nutrition and Dietetics and Zoology were benefitted by this awareness programme.

On 25.03.2022 AN, a Motivational Programme on “**Social Media Advertising- A Boon for Marketers**” was conducted with the chief guest **Dr.D.Parimala Devi, (1995-1998 B.Com alumna), Proprietress, Lakshmi Priya Agency and Transports, Thalavaipettai**. She highlighted the applications of social media in the field of marketing and guided the students for future career. In the Question answer session, students were clarified the doubts on social media advertising. 152 students from final B.Com, E-Commerce, B.Com (PA) and M.Com were benefitted through this programme.

To impart basic knowledge and skills in animation technique, Alumni association and Department of Zoology jointly organized a training programme on ‘**Adobe Photoshop and 2D Animation**’ to the students of Zoology on **28.03.2022**. **Ms.P.Geethalakshmi, the alumna of Zoology (2016 -2019 Batch)**, acted as the

resource person and gave hands on exposure to 2D Animation technique to the students. The training has developed an efficient workflow in Photoshop and 2D animation to prepare content for effective and understandable communications.

Alumni Association organized a motivational programme entitled “**Creating Records through Creativity**” on **30.03.2022AN. Ms.K.Santhiya, an alumna of B.Sc., Chemistry (2015-2018 batch), record holder of India book of records and Asia book of Records** severed as resource person. She motivated the students with encouraging examples from her own experience and inspired the students to be a record creator. She pointed out few tips of creative ideas in Physical science, Chemical Science and Biological science. 120 students of final year Chemistry, Physics and Botany attended this programme.

Webinar on Fundamental & Career Opportunity for Chemists-10.11.2021

Brief Report of the Programme:

Department of Chemistry organized a webinar to our B.Sc., Chemistry students on the topic entitled Fundamental & Career Opportunity for Chemists on 10th November 2022 via Google Meet. **Mr.G.M. Srinivasan**, Petrochemical Technologist, Founder of Sriluck Paints, Harur, Dharmapuri acted as a resource person for this webinar. **Dr. N. Vijaya, Assistant Professor & Head, Department of Chemistry** welcomed the gathering in the virtual and introduced the resource person. The resource person highlighted the fundamentals of chemistry and the role as well as the importance of chemist in day today life. He enlightened our student young minds about the career opportunities for chemist in multidimensional field through his inspired lecture. Students and faculty of chemistry of nearly 45 members were benefited through this programme.

Virtual International Seminar on “Integrated Approach of Chemistry and Material Science for Sustainable Future”-25.02.2022

Brief Report of the Programme:

In Commemoration of National Science Day, Department of Chemistry and PG Department of Chemistry jointly organized the Virtual International Seminar on “Integrated Approach of Chemistry and Material Science for Sustainable Future” on 25.02.2022. The seminar starts with the prayer by Ms.Sanmathi from III B.Sc.,Chemistry. Dr. N. Vijaya, Assistant Professor & Head, Department of Chemistry welcomed the gathering and introduced the Resource person of Technical session I.

In the technical session I, **Dr. Suguna Perumal**, International Research Professor (Assistant Professor), Environmental Biotechnology Section, School of Chemical Engineering, Yeungnam University, South Korea addressed the participants

on the topic ***“Polymer-Graphene Composites and its Applications”***. She precised the history of polymers, mechanical strength, optical, Chemical, Electrical properties of Graphene and the wide application of Polymer-Graphene composites. She also detailed the opportunities for a chemistry graduate to proceed their high studies with varied fellowships and scholarships. The resource person awakened the participants regarding the exams and funding agencies to pursue their research carrier in India and abroad. She explicitly narrated the job opportunities for a chemist.

In the technical session II, Dr. J. Indira, Assistant Professor, Department of Chemistry introduced the resource person **Dr. Bharath Govindan**, Research Scientist, Department of Chemistry, Khalifa University, Abu Dhabi who enlightened the audience with the topic ***“Nanotechnology in Energy and Environmental Applications”***. In his lecture, he elaborated the extensive applications of Nanotechnology in the production of energy and in maintaining a cleaner environment. He narrated the splitting of water using Nafion membrane, production of hydrogen, production of bio gas, bio oil from the bio wastes and the removal of hazardous elements from contaminated water using nanotechnology. In this technical session II, he motivated the students to develop their entrepreneurial skills and to concentrate on the conversion of waste to wealth for the development of sustainable nation which is the need of the hour.

Technical session III starts with the introduction of **Dr. V. Collins Arun Prakash**, Assistant Professor, Department of Chemistry, Sacred Heart College (Autonomous), Tirupattur, Tamil Nadu by Dr. K. Vanitha Bharathi, Assistant Professor, Department of Chemistry. With the topic of ***“Emerging Frontiers in Biomedical Science and Research”***, the resource person made aware the participants about the biomaterials used in hip and teeth replacement applications. The resource person cleared the fundamentals of biomaterials, their types and also the applications of ceramic, metallic biomaterials. He briefed the attendees about coated implants used in medical science to help patients live better lives.

As a whole, the Virtual International Seminar inspired the young minds to involve in scientific contributions that will benefit the society. The programme ended with the vote of thanks by Dr. V. Sreeja, Assistant Professor, Department of Chemistry. 274 participants registered from various colleges for the virtual seminar and the seminar turned into a fruitful one with 204 participants and 10 faculty members of Department of Chemistry and PG Department of Chemistry.

Celebration of National Science Day 2022 -28.02.2022

National Science Day is celebrated in India on 28th February each year, to mark discovery of the Raman Effect by Indian Physicist Sir Chandrasekara Venkata Raman on 28th February 1928. All the Science departments of Vellalar College for Women jointly organized the one day state level seminar on the theme "Integrated Approach in Science and Technology for a Sustainable Future" on 28.02.2022 in the Kasthurba Gandhi Kalaiaragam with an objective to ignite the interest among young minds towards Science, Technology and Innovation to bring about sustainable development for future generation. The inaugural session started with prayer song at 10.00 am. Dr. N. Sabitha, the Principal-in-charge, welcomed the gathering and briefed about Sir CV Raman and his contributions.. All the dignitaries lighted the kuthuvizhakku. Our Secretary and Correspondent Tiru.S.D.Chandrasekar, presided over the seminar and offered his felicitations. The inaugural address was given by Dr.N.Bubesh Gupta, Founder and Director, Universal Eco Foundation, Marakkanam. The keynote address was given by Dr.M.Jayaraman, Principal, Velalar College of Engineering and Technology. He created awareness about pollution, water scarcity and sustainable development. Finally, Dr.P.Abirami, Assistant Professor and Head, Department of Botany proposed the vote of thanks for the Inaugural session.

Forenoon session started with the thought provoking lecture by Dr.N.Bubesh Gupta, Founder and Director, Universal Eco Foundation, Wildlife Biologist, Marakkanam, Villupuram District delivered a lecture on **"Biodiversity Conservation and Human Responsibility"**. He explained the importance of biodiversity and wild lives by involving students. He also covered the major threats to wildlife such as poaching and wildlife trade. He discussed about different types of snakes, symptoms and problems of snake bite and its management and first aid. Finally he insisted the students to respect the nature.

Dr. N. Nirmal Magadalenal, Assistant Professor, PG and Research Department of Zoology, Voorhees College, Vellore has presented a lecture on "Endocrine Disrupting Chemicals and Human Health" in the afternoon session. She focused on endocrine disrupting chemicals (EDCs) and its adverse effect on human health. She pointed out that endocrine disruptors (BPA, Phthalates and Parabens) are found in the products used in our daily life such as processed foods, personal care products, cosmetics, pharmaceuticals, pesticides, plastics, water, soil etc. She also explained major health

problems due to EDCs like PCOS, Infertility, ADHD, Diabetes, CVD, Cancer, early menopause, early maturation and Obesity.

The speakers clarified and answered all the queries raised by the students at the end of each session. Totally 1100 students from all the science departments participated and benefited from this one day state level seminar. Dr. K. K. Myithili, Associate Professor and Head of Mathematics (CA), Vellalar College for Women, Erode has proposed vote of thanks in the Valedictory session.

Work Shop On “Multiskill Development For Competitive Exams”-23.03.2022 & 24.03.2022

A Two-day Work shop on “**Multiskill Development for Competitive Exams**” was jointly organized by the Department of Chemistry and Physics for second year undergraduate students on 23rd and 24th March 2022. **Mr. N. Loganathan, Mullai Academy, Erode** acted as a resource person. Dr.P. Anitha, Assistant Professor & Head, Department of Physics welcomed the gathering and elucidates the importance of the Programme. The main intent to conduct this workshop is to develop the numerical ability and problem-solving skill of the students to meet competitive exams. The resource person motivated the students and tells the opportunities in the government sectors. He tells the shortcut techniques to manage time during government exams. He also focus on logical reasoning and creative thinking. Students enthusiastically participated in this workshop and interacted with the resource person. Dr.J.Indira, Assistant Professor , Department of Chemistry proposed the Vote of Thanks. 38 II B.Sc., Physics students and 39 II B.Sc., Chemistry students were participated in this workshop. Totally 77 students and 6 faculty members got benefitted through this program.

One Day National Conference on Innovation In Chemical Sciences & Its Research Approach-08.04.2022

The programme was started with Prayer song sung by our IIM.Com CS student Ms.Amirtha Varthini on 8th April 2022. **Dr.V.Sreeja, Assistant Professor, Department of Chemistry** welcomed the gathering and mentioned the theme of the Conference and introduced the resource person of technical session-I. **Dr.S.K.Jayanthi, Principal**, Vellalar College for women offered her felicitation and honoured the chiefguests with memento. The conference proceedings were released by our principal and chiefguests. Finally, vote of thanks was given by **Dr.S.Malathi, Assistant Professor, PG Department of Chemistry**.

Technical session-I was handled by **Dr. Shanmugaraju Sankarasekaran**, Assistant Professor, IIT, Pallakad, Kerala. He delivered an excellent talk about “**An Emerging Supramolecular Scaffold for Novel Structure and Material Design**”. He related innovative ideas and concepts for developing novel biomaterials that could be applied in diagnosis, drug carrier operations, and environmental protection. His presentation about doing research with the important sources available in our country was highly remarkable. He detailed the fast growing research activities in various industries and job opportunities. He explained the differences in molecular interactions, dimensions, and supramolecular architecture. His presentation was really impressive and concludes with the interaction session, which helped many participants to clarify their doubts.

The **oral & poster presentation** were chaired by Dr. Shanmugaraju Sankarasekaran and Dr. S. Mohanaroopan, respectively. **Ms. Anu.K. Johnl** won the Ist Prize & **A. Rajesh**, Research scholars from VIT won the IInd Prize for oral presentation. The Ist & IInd prize winners of poster presentation are **Jayaprakash Avinash**, II M.Sc Physics from VIT and **Ms. Srinarayani.M**, II MSc Chemistry from JKKN College, respectively.

Dr. R. Kayalvizhi, Assistant Professor, PG Department of Chemistry introduced the resource person of technical session II. **Dr. S. Mohanaroopan**, Assistant Professor (Sr. Gr) from Vellore Institute of Technology, Vellore gave valuable speech on “**Advancements in Research and Innovation in Green Chemistry**” with relevant useful information about the advances in new materials, less toxic products, renewable energy sources, environmental protection, industrial processes with energy efficiency and renewable raw materials. Especially, he stated about the advanced technology which is used in agriculture crop fields. He also detailed the opportunities for a chemistry graduate to proceed their higher studies with varied fellowships and scholarships. His presentation was really admirable and concludes with the interaction session.

As a whole the National Conference inspired the young minds to involve the scientific innovations & contribution that will benefit the society. 201 participants attended the conference along with 11 faculty members of PG and UG Department of Chemistry. Finally, vote of thanks was given by **Dr. S. Malathi**, Assistant Professor, PG Department of **DEPARTMENT OF CHEMISTRY**

1.	31.03.2022	Special meeting	Food and Mood	.Dr.N.Jeyashanthi Professor, Department of Biomedical Engineering, Velalar College of Engineering and Technology, Erode	79 students and 6 Faculty members
----	------------	-----------------	---------------	--	-----------------------------------

The Special meeting was organized by the Department of Nutrition and Dietetics Association “NUTRISTAR” on 31.03.2022. **Dr.N.Jeyashanthi Professor, Department of Biomedical Engineering, Velalar College of Engineering and Technology, Erode** addressed on the **topic “Food and Mood”**. Lecture highlighted on Happy and Unhappy mood and the hormones/chemicals interlinked with it. The influence of happy hormones namely, Dopamine, Serotonin, Oxytocin and Endorphin creates a positive vibe and thinks proactive way. Whereas the unhappy hormones namely epinephrine, nor-epinephrine and cortisol induces depressive episodes. Food has a crucial role to play in the positive functioning of these hormones. Amino acids especially Tyrosine and Phenylalanine present in protein plays a significant role in the conversion of unhappy to happy mood. The session exemplified on how to “Train your Brain” in a pragmatic way. The hormonal imbalance, during Pre- menstruation, Pregnancy, Post Delivery, pre and post menopause could cause a mood swing which is not the ideal time to take any important decisions. Beneficiaries recognized that unhealthy food choices and eating patterns could cause mood disorders that in turn affect mental health.

The activities conducted by the department for 2021-222 was presented after the special address. Finally, the prizes for the winners in the Association Competitions were distributed.

Alumni Association

Name of the Member: Dr. V. Krithika

Name of the Department:-Nutrition and Dietetics

The Department of Nutrition and Dietetics organized “Alumni meeting by inviting Dr. K. Anusuya Devi, (Alumni: 1995-98 Batch) Assistant Professor, Department of Nutrition & Dietetics, PSG College of Arts & Science, Coimbatore provided a bird’s eye view on the opportunities available in the domain. Beneficiaries including alumni (15) and students currently pursuing Nutrition & Dietetics (99) were about to guzzle the information’s from the interactive session on “**Alumni Interaction on Career Perspectives in Nutrition and Dietetics**” on 11th of April **2022** (Monday, through offline mode).

Session focused on the future foods as 3D printed, entomophagy and upcoming technologies to satisfy the demand for food as CRISPR etc. Exploding population and increasing demand squeezes Food Technologists to think and bring about innovative products that could eventually satisfy both nutritionally and societally. Identifying the gap crucially and filling them had created a tremendous scope for food scientists.

Webinar on Fundamental & Career Opportunity for Chemists-10.11.2021 Brief Report of the Programme:

Department of Chemistry organized a webinar to our B.Sc., Chemistry students on the topic entitled Fundamental & Career Opportunity for Chemists on 10th November 2022 via Google Meet. **Mr.G.M. Srinivasan**, Petrochemical Technologist, Founder of Sriluck Paints, Harur, Dharmapuri acted as a resource person for this webinar. **Dr. N. Vijaya, Assistant Professor & Head, Department of Chemistry** welcomed the gathering in the virtual and introduced the resource person. The resource person highlighted the fundamentals of chemistry and the role as well as the importance of chemist in day today life. He enlightened our student young minds about the career opportunities for chemist in multidimensional field through his inspired lecture. Students and faculty of chemistry of nearly 45 members were benefited through this programme.

Virtual International Seminar on “Integrated Approach of Chemistry and Material Science for Sustainable Future”-25.02.2022

In Commemoration of National Science Day, Department of Chemistry and PG Department of Chemistry jointly organized the Virtual International Seminar on “Integrated Approach of Chemistry and Material Science for Sustainable Future” on 25.02.2022. The seminar starts with the prayer by Ms.Sanmathi from III B.Sc.,Chemistry. Dr. N. Vijaya, Assistant Professor & Head, Department of Chemistry welcomed the gathering and introduced the Resource person of Technical session I.

In the technical session I, **Dr. Suguna Perumal**, International Research Professor (Assistant Professor), Environmental Biotechnology Section, School of Chemical Engineering, Yeungnam University, South Korea addressed the participants on the topic “*Polymer-Graphene Composites and its Applications*”. She precised the history of polymers, mechanical strength, optical, Chemical, Electrical properties of Graphene and the wide application of Polymer-Graphene composites. She also detailed the opportunities for a chemistry graduate to proceed their high studies with varied fellowships and scholarships. The resource person awakened the participants regarding the exams and funding agencies to pursue their research carrier in India and abroad. She explicitly narrated the job opportunities for a chemist.

In the technical session II, Dr. J. Indira, Assistant Professor, Department of Chemistry introduced the resource person **Dr. Bharath Govindan**, Research Scientist, Department of Chemistry, Khalifa University, Abu Dhabi who enlightened the audience with the topic “*Nanotechnology in Energy and Environmental Applications*”. In his lecture, he elaborated the extensive applications of Nanotechnology in the production of energy and in maintaining a cleaner environment. He narrated the splitting of water using Nafion membrane, production of hydrogen, production of bio gas, bio oil from the bio wastes and the removal of hazardous elements from contaminated water using nanotechnology. In this technical session II, he motivated the students to develop their entrepreneurial skills and to concentrate on the conversion of waste to wealth for the development of sustainable nation which is the need of the hour.

Technical session III starts with the introduction of **Dr. V. Collins Arun Prakash**, Assistant Professor, Department of Chemistry, Sacred Heart College (Autonomous), Tirupattur, Tamil Nadu by Dr. K. Vanitha Bharathi, Assistant Professor, Department of Chemistry. With the topic of “*Emerging Frontiers in Biomedical Science and Research*”, the resource person made aware the participants

about the biomaterials used in hip and teeth replacement applications. The resource person cleared the fundamentals of biomaterials, their types and also the applications of ceramic, metallic biomaterials. He briefed the attendees about coated implants used in medical science to help patients live better lives.

As a whole, the Virtual International Seminar inspired the young minds to involve in scientific contributions that will benefit the society. The programme ended with the vote of thanks by Dr. V. Sreeja, Assistant Professor, Department of Chemistry. 274 participants registered from various colleges for the virtual seminar and the seminar turned into a fruitful one with 204 participants and 10 faculty members of Department of Chemistry and PG Department of Chemistry.

One Day National Conference on Innovation In Chemical Sciences & Its Research Approach-08.04.2022

The programme was started with Prayer song sung by our IIM.Com CS student Ms.Amirtha Varthini on 8th April 2022. **Dr.V.Sreeja, Assistant Professor, Department of Chemistry** welcomed the gathering and mentioned the theme of the Conference and introduced the resource person of technical session-I. **Dr.S.K.Jayanthi, Principal**, Vellalar College for women offered her felicitation and honoured the chiefguests with memento. The conference proceedings were released by our principal and chiefguests. **Dr.R.Kayalvizhi, Assistant Professor, PG Department of Chemistry** introduced the resource person of technical session II. Finally, vote of thanks was given by **Dr.S.Malathi, Assistant Professor, PG Department of Chemistry**.

Technical session-I was handled by **Dr.Shanmugaraju Sankarasekaran**, Assistant Professor, IIT, Pallakad, Kerala. He delivered an excellent talk about “**An Emerging Supramolecular Scaffold for Novel Structure and Material Design**”. Herelated innovative ideas and concepts for developing novel biomaterials that could be applied in diagnosis, drug carrier operations, and environmental protection. His presentation about doing research with the important sources available in our country was highly remarkable. He detailed the fast growing research activities in various industries and job opportunities. He explained the differences in molecular interactions, dimensions, and supramolecular architecture. His presentation was really impressive and concludes with the interaction session, which helped many participants to clarify their doubts.

The **oral & poster presentation** were chaired by Dr. Shanmugaraju Sankarasekaran and Dr. S. Mohanaroopan, respectively. **Ms. Anu.K. Johnl** won the Ist Prize & **A. Rajesh**, Research scholars from VIT won the IInd Prize for oral presentation. The Ist & IInd prize winners of poster presentation are **Jayaprakash Avinash**, II M.Sc Physics from VIT and **Ms. Srinarayani.M**, II MSc Chemistry from JKKN College, respectively.

Dr. R. Kayalvizhi, Assistant Professor, PG Department of Chemistry introduced the resource person of technical session II. **Dr. S. Mohanaroopan**, Assistant Professor (Sr. Gr) from Vellore Institute of Technology, Vellore gave valuable speech on “**Advancements in Research and Innovation in Green Chemistry**” with relevant useful information about the advances in new materials, less toxic products, renewable energy sources, environmental protection, industrial processes with energy efficiency and renewable raw materials. Especially, he stated about the advanced technology which is used in agriculture crop fields. He also detailed the opportunities for a chemistry graduate to proceed their higher studies with varied fellowships and scholarships. His presentation was really admirable and concludes with the interaction session.

As a whole the National Conference inspired the young minds to involve the scientific innovations & contribution that will benefit the society. 201 participants attended the conference along with 11 faculty members of PG and UG Department of Chemistry. Finally, vote of thanks was given by **Dr. S. Malathi**, Assistant Professor, PG Department of Chemistry.

DEPARTMENT OF BIOCHEMISTRY

Association Activity

I. Hair Donation Programme for Underprivileged Cancer Survivors

The Department of Biochemistry in association with Cavincare Private Limited-Green Trends Division, Chennai has organized “Hair Donation Programme” to support the underprivileged Cancer Survivors on 01.03.2022 at Kasthurba Kalaiaragam from 10.30 am. to 3.30 p.m. Hair loss is a common side effect of Cancer treatment that includes Chemotherapy and Radiation. To make wig for underprivileged cancer patients, about 25 volunteers and technicians from Cavincare Private Ltd – Green Trends Division, Chennai along with UG Biochemistry student

volunteers collected hair samples from about **575** teaching, non-teaching staff members and the students of Vellalar College for Women, Erode. This programme was conducted successfully to support the poor cancer students both mentally and physically.

II. Lecture Workshop on Cyber security

The Biochemistry association BRIGID organized a Lecture Workshop on Cyber security on 04.04.2022 at 11 am. in the Non-residence Hall. The Chief guest Dr. D. Kavitha, Assistant Professor of Computer Applications, Nandha Arts and Science College, Erode highlighted the common Cyber security threats like Malware, Ransom ware, Phishing attacks, Social engineering etc and the ways to prevent and combat Cyber security attacks like DNS filtering, malware protection, antivirus software, firewalls and email security solutions. About 85 students and staff members of Biochemistry department attended and benefited from this meeting.

III. Bio-buy Mall 2022

The association of Biochemistry – BRIGID organized a two day Bio-buy mall on 11.04.22 and 12.04.22 at Non-residence Hall from 10.30 am. to 4 pm. This programme was organized to provide a platform for students to become women entrepreneurs and to unveil their business skills. The UG Biochemistry students participated enthusiastically and displayed the healthy food recipes prepared by students, clothing's and cosmetics. About 2000 students and staff members visited the shops and benefited.

IV. Special meeting for Alumni students

The Department of Biochemistry organized a special meeting for Alumni students of Biochemistry on the topic “Scope and Career Opportunities of Biochemistry in Industries” through Google meet on 16.04.2022 at 2.00 p.m. The Chief guest highlighted the insights of scope of Biochemistry and job opportunities in Food, Biotechnology, Pharma and Agro based industries. About 95 alumni students attended this programme and benefited.

V. Association Competitions

The Biochemistry Association – BRIGID organized association competitions namely Poster Presentation on “Environmental Issues and their Solutions” and “Memory Quiz” .The students participated actively and prizes were given for the winners.
