

**Department of Biochemistry**  
**Seminars / Conferences / Workshops / FDP Attended / Presented**  
**2015 - 2016**

S.No	Name of the Faculty	Date	Nature of Event	Level	Theme/Topic	Details of Organizer	Presented / Attended	Title of the paper (If presented)
1	C.KIRUBARANI	9.9.2015	Conference	International	Emerging Strategies For Green Marketing In Consumer Cooperatives	VCW, Department of Cooperation.	Presented	Green Marketing Practice – A Global Perspective
2	C.KIRUBARANI	14.12.2015	symposium	International	bioscience research for present and future	Vivekanandha College of Arts and Science for Women.	Presented	Physicochemical and microbial analysis of river water and its comparison with reverse osmosis water
3	C.KIRUBARANI	22 & 23.1.2016	Seminar	National	Emerging trends in biological innovations	Bharathidasan College of Arts and Science	Presented	Processing and production of Household materials from cow urine and cow dung
4	C.KIRUBARANI	3.2.2016	Seminar	International	recent developments in medical biotechnology	Selvamm Arts and Science College, Department of Biotechnology	Presented	Qualitative Analysis of RO Water
5	R.KAVITHA	5.2.2016	Seminar	International	Bioscience	Sri Ganesh College of Arts & Science, Department of Microbiology and Biotechnology	Presented	Using Fruit Peels of Substrate for the production of Amylase & Protease enzymes from Bacillus Subtilis by solid state Fermentation

6	R.KAVITHA A	5.2.2016	Seminar	International	Bioscience	Sri Ganesh College of Arts & Science, Department of Microbiology and Biotechnology	Presented	Silver Nanopractices: Green Synthesis using aqueous leaf extract of Tridax Procumbans & antibacterial activity
7	R.KAVITHA A	22 & 23.1.2016	Seminar	National	Emerging trends in biological innovations	Bharathidasan College of Arts and Science	Presented	Antimicrobial activity of Biogenic Silver Nanopractices synthesized from aqueous extract Tridax Procumbens leaf
8	R.KAVITHA A	14.12.2015	symposium	International	bioscience research for present and future	Vivekanandha College of Arts and Science for Women.	Presented	Antihyperglycemic effect of ethanolic extracts of leaf and fruit of trichosanthes dioica and leaf of Clitoria ternatea Instreptozotocin induced Diabetic rats
9	G.SANGEETHA DEV I	3.2.2016	Seminar	International	recent developments in medical biotechnology	Selvamm Arts and Science College, Department of Biotechnology	Presented	Hepato toxicity induced by Rubber Industry Effluent
10	G.SANGEETHA DEV I	14.12.2015	symposium	International	bioscience research for present and future	Vivekanandha College of Arts and Science for Women.	Presented	Phytochemical analysis and Antimicrobial activity of Vitis Vinifera fruit extract against multidrug resistant

								Bacterial strains
11	G.SANGE ETHADEV I	22 & 23.1.2016	Seminar	National	Emerging trends in biological innovations	Bharathidasan College of Arts and Science	Presented	Phytochemical analysis and Antimicrobial activity of Punica Granatum leaf extract against multidrug resistant bacterial strains
12	A.JANSI ISABELL A RANI	3.2.2016	Seminar	International	Recent developments in medical biotechnology	Selvamm Arts and Science College, Department of Biotechnology	Presented	Bioremediation of leather industry waste water
