54th ANNUAL REPORT

2023 – 2024

Distinguished Chief Guest, Honourable President, Esteemed Secretary, Revered Treasurer, Respected Members of Vellalar Educational Trust, Scholarly Colleagues, Dedicated Non- Teaching Staff Members, Parents, Invitees and My Dear Students.

I am filled with gratitude to welcome our Chief Guest Thiru. RK.Ramasamy, Founder & Chairman, RKR Educational Institutions, Udumalpet who has accepted with delight to be with us here, today, for the 54th Annual Day celebrations, despite his ever hectic schedule, to deliver the college day address and distribute endowment awards and prizes to the meritorious students who have shown exemplary performance in their academics. I extend a cordial welcome to the dignitaries on the dais, members of faculty, non-teaching staff, parents, students and all other invitees. Vellalar College for Women is the outcome of immeasurable efforts of a few visionaries of the Kongu Vellalar Community who nurtured and cradled this Institution with the grand vision of social and economic empowerment of first generation women scholars, most of them hailing from agrarian background.

Before presenting a brief account of the activities in various spheres and accomplishments in the academic year 2023 - 2024, let me place on record my respectful homage to the great souls behind the genesis and evolution of this institution. I also record my deep sense of gratitude to the former members of the Vellalar Educational Trust and the former Principals of this Institution for laying the solid foundation built on integrity, inventiveness and farsightedness.

With the blessings of the God Almighty and with a deep sense of pride and privilege, I now present the year long initiatives, undertakings and attainments for the academic year 2023-2024 to this august gathering.

College Quality Supporting Committee organised an Inter-departmental Quiz Competition titled Revisiting Vaikoam Satyagraha in a view of Centenary celebrations to commemorate the historic event Vaikoam Satyagraha on 18.08.2023. The Quiz Club made an effort to vindicate the words of Tamil Nadu Chief Minister M K Stalin "Memories of the Vaikom Satyagraha should empower us to take on more responsibilities at a time when forces of divisiveness are gaining strength". It also provided a glimpse of the epoch-making Vaikoam Satyagraha - the heroic non- violent struggle against the social evil of caste discrimination and untouchability, the camaraderie the states of Kerala and Tamil Nadu shared during the Vaikom struggle and the active participation of Women on a large scale for the first time in Socio-political affairs (Women Empowerment). It is a firm belief that the students are made aware of our glorious history and lofty national traditions, then the ray of hope will arise in the dismal atmosphere of today and the desirable changes will be seen in the student's world. The competition was conducted with this objective of inspiring the youths of today with the ideals of our great leaders, the strength and power of united struggles and to kindle the spirit of equality that breaches the rigid walls of orthodoxy and opens a new chapter in the fight against untouchability and the caste system in India. Quiz Club Co-ordinator, Dr. G. Surya, Assistant Professor, PG & Research Department of English conducted the quiz in an

interactive way and 80 students were participated with great enthusiasm. Students were made aware of the rules and regulations by the Quiz Club Secretary Ms. V. The Program began with welcoming of Mahabali Chakravarthy with Chenda-melam processed by dance performance students. The festival's dawn witnessed the signature Chenda Melam, Mohiniyattam, Thiruvathirakali and a medley of performances was a visual spectacle that painted a vibrant picture of Kerala's artistic heritage. Students and Teachers embraced the spirit of Onam with fervour and enthusiasm and were dressed in Kerala's traditional *Pamundu* added zing to the festivity. Students dressed as Maveli and Vamana was the centre of attraction. A well planned assembly that had a blend of culture, tradition and history had all mesmerized. Amidst cheers of happiness and excitement, students learnt the importance of these very special days and imbibed in them pride, cultural oneness and a sense of belonging that we are one big family. *A Blend of Creed, Culture and Tradition Altogether...!*

Founder's Day is not just a celebration; it's a reaffirmation of the institution's commitment to its mission and values. Bravura (*Heritage 'n' Nouvelle*) organized the Founders' Day with meticulous planning and enthusiasm left an indelible mark in the Vellalar History. The Cultural

programmes commenced with an array of traditional performances that reverberated with elegance, excitement and vibrant memories! The Celebration was graced with Super Singer Priyanka's mesmerizing Musical Feast! The talented musicians and vocalists took the stage, leaving the audience mesmerized with their melodious renditions. The dedication of the members of Bravura Club, who mentored and guided the students, was evident in every performance. Their commitment to nurturing talent and fostering creativity was palpable throughout the day. The Club not only values academic excellence but also cherishes and promotes the arts. The Foundation Day celebration was a triumph of talent, teamwork, and the collective spirit that defines our students' community. It served as a poignant reminder of the cultural kaleidoscope that is our institution, where every student's unique contribution is not only recognized but celebrated. *Bravo to the Founders...! A Touch of Artistic Flair...!*

Pongal, the harvest festival of Tamilnadu, was celebrated at VCW from 10.01.2024 – 12.01.2024 to thank God for all His Goodness and Mercies and to look forward to a prosperous year. Bravura (*Heritage 'n' Nouvelle*) organised Pongal Celebrations every year and it is marked with great gusto and enthusiasm. The festivities begin with 'Bhogi' and the first day is considered to be a prelude to the celebrations that follow. The entrance was decorated with colourful Rangoli. The festival featured the setting up of various Stalls, Giant Wheel Ride, Pendulum Ride and Disk'O Flat Ride in the campus. Students adorned themselves in festive dress and exhibited joy and pride as they filled the campus with the land's cultural aura. As a part of celebration, Students Union of our College with Bravura Club prepared Pongal in the traditional culture and the chants of *Pongal-o-Pongal* rent the air as the rice boiled over, symbolising the gushing of prosperity. Sweet Pongal and Sugarcane was served to all the students and faculty of all the departments to share the joy and happiness. Teaching and Non-teaching Faculty and Students of all the departments participated in the inter-departmental competitions with great passion and interest. The Pongal celebrations involved a variety of cultural performances such as Valli Kummi, Soambu – Sulagu Nadanam, Pulliattam, Parambariya Nadanam, Paraiattam and Flash Mob which trumpeted Tamilan's Folklore and cultural authenticity. Various Games like Uri Adi, Baloon Breaking, Slowcycle Race, Bridal Make up, Artificial Flower Making, Fireless Cooking, Sack Race, Lemon & Spoon, Bottle Filling and Musical Chair were conducted showcasing our culture and tradition. All the winners were awarded with trophies and prizes. The celebrations ended with great delight to the students, as a tribute to the Tamil heritage and historical relevance of the Pongal festival. It was an ambience filled revelry, music,

dance and the joyful faces reverberated with big smiles. *Traditions touch us. They connect us and they expand us...! Rich Culture and Tradition at its Vibrant Best...!*

During his discourse, he recounted pivotal instances from his tenure as a principal where he propagated the ideals of Gandhian philosophy. Through these anecdotes, he illustrated the transformation of students' mindsets and values. His personal endorsement of Gandhian principles, coupled with the real-world results he achieved, served as a testament to the enduring applicability of Gandhian Thought across generations.

Dr.R.Kuppusamy delivered into compelling events that evoke pride in being followers of Gandhian ideology and being citizens of India. He also shared his own profound experiences as a Gandhian while residing in London. He highlighted the impact of Gandhi's principles of simplicity and equality, which later influenced figures like Martin Luther King and garnered international respect for India. Moreover, Dr.R.Kuppusamy unveiled lesser-known facets of Gandhiji, including his desire to read Thirukkural and his final utterance of "Hey Ram" before passing away. He reiterated that Gandhiji ardently upheld the tenets of non-violence, employing this powerful doctrine to challenge the British colonial rule and secured India's freedom. Several of Gandhiji's notable quotes, such as "Earth provides enough to satisfy every man's needs but not every man's greed," "Live as if you were to die tomorrow; learn as if you were to live forever," and "Non-violence is a weapon of the strong," were shared to emphasize the enduring wisdom of these ideals.

Dr.R.Kuppusamy also offered insights into his own lifestyle, which he crafted in accordance with Gandhi's teachings, and promoted sustainable living for the well-being of future generations. His discussion extended to the statues of Gandhi and Nelson Mandela, standing at Parliament Square. The students were captivated by Dr.R.Kuppusamy's approach and were pleased with his patient responses to their inquiries. His speech left a profound impact on the students, inspiring them greatly. Beyond Gandhian principles, he also imparted valuable life lessons,

culminating in his embodiment of wisdom and simplicity. In total, this program benefitted 187 students and 8 faculty members, leaving an indelible mark of enlightenment and motivation.

7. Workshop

The PG and Research Department of History orchestrated a one-day State Level field workshop named "**Keezhadi – A Treasure House of Tamil Culture**" on August 17, 2023. Serving as the resource person for this event was Ms. R. Kaviya, an Archaeological officer responsible for Tirupur and Erode Districts, overseeing the Keeladi excavation and its cluster sites under the Archaeological Department of Tamil Nadu. The central aim of the workshop was to provide profound insights into and a deeper comprehension of Tamil Culture.

During the initial session, participants visited the Heritage Museum at Keezhadi, a structure characterized by the Chettinad architectural style. This museum houses gallery dedicated to subjects like Agrarian and Water Management systems, Ceramic and Weaving Industries, Bead Industries, Sea Trade, and Lifestyle. These galleries showcase artifacts unearthed from excavation sites including Keeladi, Konthagai, Agaram, and Manalur. Ms. R. Kaviya elucidated the historical context of each gallery, delving into its unique features. She showcased excavated items such as terracotta ring wells, pipes, and meticulously planned brick channels, which shed light on the advanced irrigation methods employed by ancient Tamilians for agriculture. The presentation also covered Neolithic-era grey and light red wares, as well as Iron Age red and black pottery, the

heating technique under 1100°C, revealing the impressive heating techniques used to create resilient ceramics. The discovery of around 120 potsherds bearing graffiti marks (a blend of Tamil and Brahmi scripts) showcased an intriguing blend of languages. The unearthing of Rouletted wares hinted at the adoption of Roman ceramic production techniques.

Participants were educated about weaving through spindles crafted from various stones, while colorful bead-adorned ornaments made from precious and semi-precious stones like Agate and Carnelian were also showcased. Additionally, tools such as chisels, nails, and iron daggers used in agriculture were explained. The iron furnace blow pipes used by ancient artisans were also demonstrated. Ms. R. Kaviya highlighted the methods of dating antiquities, employing Radio Carbon Dating and Accelerator Mass Spectrometry (AMS), revealing that Keezhadi's history extends back to the 6th Century BC, confirmed through artifacts discovered during the 6th Stage of excavation. The final gallery contained silver punch-marked coins, gold coins from the Sangam Pandyas' and Madurai Sultans' eras, and Terracotta seals. Roman coins discovered in Keezhadi provided evidence of active trade interactions between the Tamilians and Romans.

Ms. R. Kaviya further expounded on the social and cultural practices of the ancient Keezhadi residents, asserting that these practices predated the Sangam age. She drew connections between the Indus Valley Civilization and Keezhadi through similar scripts found. An attached amphitheater screened a 15-minute documentary about the significance of Keezhadi excavations. Ms. Kaviya also detailed the process of preserving antiquities and explained the lifestyles of the ancient Tamil people of the 2600-year-old urban Vaigai civilization. She addressed students' inquiries, enhancing their understanding of exploration and excavation.

In the subsequent session, students visited the actual excavation site at Keezhadi, witnessing artifacts embedded in the layers and observing the excavation process in action. They also explored Konthagai, a burial site of the Keezhadi people, notable for its urn burials, allowing students to comprehend the burial practices of the ancient urbanized population. This field trip provided a tangible understanding of excavation techniques. The entire workshop instilled a profound understanding of Excavation, Conservation, and Preservation of Antiquities, leading participants to grasp the significance of the Vaigai Civilization through Keeladi.

Finally, the participants visited Thirumalai Nayak Mahal, constructed by Thirumalai Nayak in AD 1636. This royal palace boasts impressive pillars, intricate ceiling carvings, and prominently displays Thirumalai Nayak's throne. The palace also houses paintings and sculptures from his era, showcasing the architectural mastery of the Nayak dynasty. Participants learned about the palace's

history and its intricate structure. The workshop benefitted approximately 106 students and 7 faculty members.

8. Industrial Visit

The Educational Tour organized by the Post Graduate and Research Department of History included 50 students and 3 staff members who traveled to Coorg and Chikmagalur from 08.12.2023 to 09.12.2023. Departing on 07.12.2023 at 10:00 pm, they arrived in Coorg the following day at 9:00 am. During their visit to Coorg, students explored the Golden Temple, a revered Monastery and a significant tourist attraction established in 1963. This temple stands as the largest teaching center of Nyingmapa, a Tibetan Buddhist lineage globally, situated within one of India's largest Tibetan settlements, accommodating approximately 16,000 refugees, with around 6,000 monks and nuns.

Bali Koppa, also known as Bylakuppe, hosts the second largest Tibetan settlement outside Tibet. Within the temple, three colossal Buddha statues crafted from gold and depictions of Hindu gods and goddesses captured the students' attention. The temple's ambiance exuded a strong and positive energy, fostering a serene environment for students to appreciate various religious arts and cultural events.

Additionally, the tour included a visit to Kaveri Nisargadhama, an archipelago on the Cauvery River near Kushalnagar town. Established in 1989, this scenic spot boasts a hanging bridge aiding travelers in crossing the river. Visitors can relish the picturesque surroundings, riverside cottages, lush bamboo groves, sandalwood, and teak trees. Activities such as bird feeding and a zip line added to the allure of the place, allowing students to immerse them in nature while finding tranquility.

The itinerary also encompassed visits to Chiklihole Dam and Dubare Elephant Camp, both cherished spots for nature enthusiasts and wildlife lovers. The journey to Mullayanagiri peak from Chikmagalur town offered breathtaking views, especially during the drive up Chandra Drona hill towards Seethalayanagiri. The peak housed a temple dedicated to Seethala Mallikarjuna Swamy, surrounded by water and considered a pilgrimage site. The area around the peak flourished with Orchids and wildflowers, intriguing the students.

Mullayanagiri, the highest peak in Karnataka at 6317 ft, is a trekking paradise situated in Chikkamagaluru district. Named after sage Mullappa Swamy, the peak is famed for its serene atmosphere and its temple atop the summit. Visitors relish the natural beauty, experiencing passing clouds, mist, and high-velocity winds. The Z viewpoint offers stunning vistas of the Western Ghats, captivating students with its cool breeze and lush greenery.

9. Centre for Gandhian Thoughts

1. One Day Field workshop

The Post Graduate & Research Department of History, along with the Centre for Gandhian Thoughts and Gandhi Ashram Tiruchengode, jointly organized a one-day field workshop on "Hands-on Training of Khadi Products" on 19.07.2023, at Gandhi Ashram, Tiruchengode. During the workshop, **Mr. V. Ravikumar, the Secretary of Gandhi Ashram**, delivered an inspiring address to our students. He shared valuable knowledge and historical insights about the establishment of Gandhi Ashram in 1925. The ashram has been honored with visits by prominent national leaders, including Mahatma Gandhi, Rajaji, Motilal Nehru, Dr. Ansari, S.J.T. Vithalbhai Patel, and Sathya Murthi. Rajaji, in particular, spent a decade living with his family at the ashram. The students had an enriching experience as they received hands-on training in working with khadi threads, clothes, and other eco-friendly products. The serene and peaceful environment of the Gandhi Ashram added a touch of splendor to their visit. The workshop left a deep impact on the attendees, inspiring them to appreciate the value of using khadi products. As a result, both students and teachers enthusiastically purchased various khadi items. In total, 124 students and five faculty members benefitted from this enlightening program

2. Special Meeting “Relevance of Gandhism”

The Post Graduate and Research Department of History & Centre for Gandhian Thoughts, orchestrated a special convocation centered on the Pertinence of Gandhism. This enlightening event took place on August 22, 2023, within the premises of VCW. Dr.R.Kuppusamy, Principal, Nandha Arts and Science College, Erode a notable figure, graced the gathering and delivered an awe-inspiring address to our student body. During his discourse, he recounted pivotal instances from his tenure as a principal where he propagated the ideals of Gandhian philosophy. Through these anecdotes, he illustrated the transformation of students' mindsets and values. His personal endorsement of Gandhian principles, coupled with the real-world results he achieved, served as a testament to the enduring applicability of Gandhian Thought across generations.

Dr.R.Kuppusamy delivered into compelling events that evoke pride in being followers of Gandhian ideology and being citizens of India. He also shared his own profound experiences as a Gandhian while residing in London. He highlighted the impact of Gandhi's principles of simplicity and equality, which later influenced figures like Martin Luther King and garnered international respect for India. Moreover, Dr.R.Kuppusamy unveiled lesser-known facets of

Gandhiji, including his desire to read Thirukkural and his final utterance of "Hey Ram" before passing away. He reiterated that Gandhiji ardently upheld the tenets of non-violence, employing this powerful doctrine to challenge the British colonial rule and secured India's freedom. Several of Gandhiji's notable quotes, such as "Earth provides enough to satisfy every man's needs but not every man's greed," "Live as if you were to die tomorrow; learn as if you were to live forever," and "Non-violence is a weapon of the strong," were shared to emphasize the enduring wisdom of these ideals.

Dr.R.Kuppusamy also offered insights into his own lifestyle, which he crafted in accordance with Gandhi's teachings, and promoted sustainable living for the well-being of future generations. His discussion extended to the statues of Gandhi and Nelson Mandela, standing at Parliament Square. The students were captivated by Dr.R.Kuppusamy's approach and were pleased with his patient responses to their inquiries. His speech left a profound impact on the students, inspiring them greatly. Beyond Gandhian principles, he also imparted valuable life lessons, culminating in his embodiment of wisdom and simplicity. In total, this program benefitted 187 students and 8 faculty members, leaving an indelible mark of enlightenment and motivation.

3. 154th Birth Anniversary of Mahatma Gandhi

The Post Graduate & Research Department of History and the Centre for Gandhian Thoughts recently celebrated the 154th Birth Anniversary of Mahatma Gandhi. Fondly known as Mahatma or Bapu, he played a pivotal role in India's struggle for independence. Gandhi's legacy lives on as he demonstrated the power of non-violence or Ahimsa through peaceful movements, inspiring leaders worldwide with his values and principles. To honor the Father of the Nation, our Department organized several events, including Oratorical, Quiz, Haiku Kavithai, and drawing competitions, in which nearly 100 students from various departments participated. The event commenced with a warm welcome by the Head of the Department, who engaged the attendees in discussions about their current roles, work experiences, living standards, and established a strong connection among the alumnae present. During the gathering, faculty members provided valuable guidance to the students, encouraging them to appear for various competitive exams such as NET, SET, UPSC, TNPSC, and others. The alumnae actively interacted with the faculty, sharing their perspectives on the syllabus, expectations, and the need for skill enhancement courses. They also shared personal anecdotes from their experiences in the professional world.

The faculty members provided insightful advice, guiding the students toward a bright future and emphasizing the importance of hard work and smart strategies to achieve their goals. Moral and ethical values were stressed, urging the students to lead a principled life. The students were given a platform to showcase their talents, and the alumni, in turn, interacted with them, offering valuable career guidance regarding higher studies and job placements. This meeting served not only to maintain strong bondages with former students but also highlighted the institute's pride in its alumni. A total of 36 alumnae attended the event, making it a meaningful and enriching experience for all.

ii) The PG & Research Department of History organized an Alumni Meeting to facilitate, consolidate and coordinate alumni activities on October 28, 2023, at 2:30 P.M in the I M.A History classroom. The meet is to reconnect with the alumni and celebrate their success and other

achievements. During the session interactions were held about the career guidance regarding higher education and placements and also they shared about their expertise and future plans. In the session, the department planned and designed association services for the students.

The Alumni shared their challenges in attending the interviews and preparing for competitive examinations and also their work experiences. During the gathering, faculty members provided valuable guidance to the students, encouraging them to appear for various competitive exams such as NET, SET, UPSC, TNPSC, and others. They also motivated and guided the alumnae to become a notable person in the society as well as a good entrepreneur and responsible citizens. A total of 41 alumnae attended the event, making it a meaningful and enriching experience for all.

12. National Conference

Social welfare, with a focus on gender equality and women empowerment, is a critical facet of building a just and inclusive society. Gender equality involves ensuring that all individuals, regardless of their gender, having equal access to opportunities, rights and resources. Women empowerment, on the other hand, is about fostering an environment where women can actively participate in decision-making processes, economic activities, and social development. Social welfare through the lenses of gender equality and women empowerment, we delve into the multifaceted aspects that define and shape these concepts. From challenging traditional gender roles to dismantling discriminatory practices and policies, the pursuit of social welfare in this context requires a comprehensive and intersectional approach. Organizing the one-day National Conference in this context will enhance the faculty and students in the field of Gender studies. Hence, the PG& Research Department of History organized one day National Conference on **Social Welfare: Gender Equality and Women Empowerment** on 09.01.2024.

In the Inaugural session **Dr. S. K. Jayanthi**, Principal, VCW, Erode, welcomed the gathering and expressed how Women empowerment contributes to the world's economic growth. The Department's Logo was released on this auspicious occasion. **Thiru. C. Jayakumar**, President, Vellalar Educational Trust, delivered Presidential address, in which he highlighted the importance of Women empowerment and Gender Equality. Followed by **Thiru. S. D. Chandrasekar**, Secretary, Vellalar Educational Trust, gave his felicitation. After him, **Dr. Sudheshna Mukerjee**, Associate Professor, Centre for Women Studies, Bangalore University, Bangalore, gave her inaugural address. She pointed out that increasing women's self-esteem, right to choose what they want, right to get access to equal opportunities, Right to have power to control their course of life and ability to influence direction of social changes. **Maj. Dr. N. Kavitha**,

Associate Professor & Head, PG and Research Department of History, delivered the key note address. **Dr. R. Ganga**, Former Principal & Head, PG and Research Department of History, VCW presented her Special Invitee address. **Dr.K. Suganya**, Associate Professor, Department of History, proposed vote of thanks.

The first technical session was chaired by **Dr. Sudheshna Mukerjee**, Associate Professor, Centre for Women Studies, Bangalore University, Bangalore. She delivered a lecture on “**Locating the idea of Empowerment in Feminist Theoretical Discourse**”. She insisted that, to practice equality among gender, we have to change the root of the community. The discussion encompassed the distinction between Equality and Equity, featuring statistical insights on India's low rankings in areas such as the economic contribution of women, maternal death rates, and female health rates. Notably, 72% of refugees worldwide were identified as women. A central focus was placed on the pervasive issue of physical abuse faced by women globally, inflicted by intimate partners or other men.

The lecture explored the diversity among women, considering factors like social class, literacy, and occupation. This diversity extends to the varied challenges women encounter, highlighting the broad spectrum of issues embraced by feminism. The importance of recognizing and compensating women in domestic roles was emphasized, proposing the term "Home Maker" for those contributing to the household without financial remuneration. The speaker asserted that the future attainment of gender equality lies primarily in the hands of women. The key to overcoming gender inequality was emphasized as the combination of the ability to effect change in their own lives and the mental strength to drive this transformation.

In the second technical session, **Dr.Zenetta Rosaline, Professor & Director, Department of Women Studies, Bharathiar University, Coimbatore**, gave an enlightening speech about **Protection of Women at Workplace – Awareness on POSH act**. She clearly pointed out that, the topic Women Empowerment is something which should be discussed among both the gender. The POSH act was enacted by the government in the year 2013. She pointed out that, every institution or work place must have an Internal Compliance Committee. This committee is to ensure the safety of the workers especially women. She had pointed out that, by 2030, the world will be 50-50 which means the world will become gender equal community.

During the Valedictory Session, **Dr. C. Suseela, Former Principal & Head of the Post Graduate & Research Department of History at VCW, Erode**, provided insights into the multifaceted role of women in social, economic, political, spiritual, and emotional domains. Emphasizing the need to reflect on our history for future progress, she urged the breaking of

stereotypes and the prioritization of feminism. Madam, stressed that transformative changes should commence from within. Additionally, she counseled students to minimize undue reliance on electronic gadgets, highlighting the crucial role of women in society and advocating for their education and respectful treatment. Madam underscored that true empowerment and individualism for women can only be achieved through proper education.

The certificates were distributed to the participants and valuable feedback about the programme was also sought from the participants. The students and faculty members from Sri Vasavi College, Chikkaiya Naicker College, Erode Arts and Science College, Chikkanna Government Arts College, Tirupur, PSGR Krishnammal College for Women and Government Arts College, Coimbatore participated enthusiastically. Totally 310 participants including students and research scholars and 16 faculty members were benefitted through this programme. **Dr.S.Jothimani**, Assistant Professor, Department of History, proposed the vote of thanks.

13. Centenary Celebrations Of Vaikom Satyagraha

Vaikom Satyagraha, from 30 March 1924 to 23 November 1925, was a non-violent agitation for access to the prohibited public environs of the Vaikom Temple in the Kingdom of Travancore. Kingdom of Travancore was known for its rigid and oppressive caste system. The campaign, led by Congress leaders T. K. Madhavan, K. Kelappan K. P. Kesava Menon, George Joseph, E. V. Ramasamy "Periyar" and was noted for the active support and participation offered by different communities and a variety of activists. Most of the great temples in the princely state of Travancore had for years forbidden lower castes (untouchables) not just from entering, but also from walking on the surrounding roads. The agitation was conceived by the Ezhava Congress leader and a follower of Sri Narayana Guru, T. K. Madhavan. It demanded the right of the Ezhavas and 'untouchables' to use roads around the Vaikom Temple. Mahatma Gandhi himself visited Vaikom in March, 1925. Travancore government eventually constructed new roads near the temple for the use of lower castes. The roads, however, kept the lower castes adequately away from the near environs of the Vaikom Temple and the temple remained closed to the lower castes. After the intervention of Mahatma Gandhi, a compromise was reached with Regent Sethu Lakshmi Bayi who released all those arrested and opened the north, south and west public roads leading to Vaikom Mahadeva Temple to all castes. Bayi refused to open the eastern road. The compromise was criticized by E. V. Ramasamy "Periyar" and some others. Only in 1936, after the Temple Entry Proclamation, was access to the eastern road and entry into the temple allowed to the lower castes. Vaikom Satyagraha markedly brought the method of nonviolent public protest to Kerala. Amidst rising nationalist sentiment and agitations across the country, it foregrounded social reform. For the first time, it brought Gandhian methods of nonviolent protest to Travancore.

The movement continued for over 600 days, non-stop, through social pressure, police crackdowns and even natural disaster in 1924, is admirable. The Vaikom satyagraha saw previously unseen unity across caste lines.

On the commemoration of centenary celebrations of Vaikom Satyagraha, Post Graduate & Research Department of History had organized Essay Competition and Oratorical Competition for all the students.

14. Commemoration of 75th Republic Day Celebrations

India attained independence on August 15, 1947, and adopted a Republican form of government on January 26, 1950. The inauguration of the new Constitution marked the birth of modern India. Since then, January 26 holds a special significance in our national consciousness, symbolizing our journey as a nation. Over the years, India has achieved remarkable progress in various fields, such as literacy, life expectancy, and economic development, marking significant milestones along the way. Republic Day is celebrated across the country with great fervor and enthusiasm.

To honor this historic occasion, the PG and Research Department of History celebrated the 75th Republic Day on January 31, 2024, with immense patriotism and zeal. Dr. N. Kavitha, Associate Professor & Head, Department of History, delivered a stirring speech on the importance of Republic Day, inspiring everyone present. Subsequently, the department organized various competitions for the students.

The speech competition, themed "Reflecting on 75 years of the Republic journey," witnessed enthusiastic participation from students who showcased their talents. Following this, a debate on the topic "The Role of People versus Government in Upholding the Constitution" was held, generating engaging discussions and fostering intellectual courage among the participants. A quiz competition titled "Constitutional Quest: India's 75th Republic Day Quiz" tested the students' knowledge about the Constitution through three rounds of intense competition. Despite the challenging questions, the students displayed confidence and brilliance in their responses. The event concluded with a captivating video presentation titled "Virtual Narratives: Celebrating India's 75th Republic Day," where students from all classes showcased their creativity and patriotism. The program ended with National Anthem, underscoring the message of collective effort in nation-building. Overall, the event successfully encapsulated the essence of Republic Day and instilled a sense of nationalism among all participants.

15. Kalingarayan Anaicut Heritage Walk

The PG and Research Department of History, in collaboration with the Uzhavan Foundation's "Neerum Naamum," orchestrated a significant event—the Kalingarayan Anaicut Heritage Walk on February 13, 2024. Nestled in Kalingarayanpalayam near Bhavani, Namakkal, this heritage walk delved into the historical depths of the Kalingarayan Anaicut. Guided by Dr. N. Kavitha, the Head and Associate Professor of the PG and Research Department of History, along with Mr. Ravindhran as the Resource Person, the excursion aimed to enlighten participants about the historical eminence of the Kalingarayan canal while instilling knowledge about nature conservation.

This collaborative effort echoes previous initiatives by the Uzhavan Foundation, in conjunction with Kumara Guru Agriculture College and the Young Indian Organization, which have consistently organized educational events focused on heritage and agricultural significance. Thus, we were privileged to engage in this heritage walk to uncover the significance of the Kalingarayan dam. During the event, Mr. Ravindran eloquently narrated the tale behind the dam's construction, shedding light on the altruistic intentions of Kalingarayan, the chieftain responsible for its inception. Originating from humble beginnings in mid-13th century Kanagapuram, Vellore, Kalingarayan, formerly known as Lingayan, emerged as a prominent figure under the patronage of Vir Pandya. Notably, his vision to ameliorate the agricultural landscape of Kongu Desam spurred the construction of the Kalingarayan Anaicut.

Through Mr. Ravindran's elucidation, we gleaned insights into Kalingarayan's meticulous planning and innovative engineering techniques. Despite facing adversities, including political

turmoil and external invasions, Kalingarayan's unwavering determination culminated in the successful linkage of three rivers- Vani (Bhavani), Kaveri, and Noyyal-through a sprawling dam network spanning 90 kilometers with 700 channels. His pioneering efforts laid the groundwork for the modern irrigation systems we benefit from today. Additionally, we gained insights into the British-era renovations, including the installation of shutters to regulate water flow during floods and enforce tax compliance a testament to the canal's continued relevance and governance evolution. Approximately 40 students and 2 faculty members had enriched their understanding of Kalingarayan's legacy and the scientific ingenuity underlying the Kalingarayan canal.

1. Alumnae Meet 1

Organized Alumnae Meet on 04.10.2023 (11:30 a.m. – 01:00 p.m.). Dr.R.Parvathi, Associate Professor & Head, Department of Mathematics, welcomed the gathering of alumnae 2020 – 2023 batch. Ms. M. T.Durgasri currently pursuing I M.B.A.(Finance),

GEMS B School, Bangalore shared that the allied course Statistics for Mathematics, she studied during her period of B.Sc., Mathematics helped her a lot in pursuing M.B.A.(Finance). Ms.T.Srimathi and P.K.Arthi who are undergoing TNPSC Group I preparation expressed that the learning strategy, they have gained from B.Sc., Mathematics helped them to give exemplary performance in their mock tests and in their career also. Totally 24 alumnae of Batch 2020 – 2023 and 5 faculty members of Department of Mathematics attended this meet.

2. Alumnae Meet 2

Organized Alumnae Meet on 28.10.2023 (09:15 a.m. – 10:00 a.m.). Dr.R.Parvathi, Associate Professor & Head, Department of Mathematics, welcomed the gathering of alumnae 2020 – 2023 batch. Ms. M.Karthika, currently pursuing I M.Sc., Mathematics in Bharathidasan University, Tiruchirappali overwhelmed that the syllabus of B.Sc., Mathematics and the text books prescribed are highly useful for preparing JAM and NET examinations. Ms.T.Sreevarshini, currently pursuing I M.Sc., Mathematics in PSGR Krishnammal College for Women, Coimbatore expressed that the experiences she gained in organizing programmes from our institution made her well planned and organized at everywhere. Totally 50 alumnae of Batch 2019 – 2022 and 5 faculty members of Department of Mathematics attended this meet.

4. One Day Workshop on Problem Solving in Real Analysis

The Department of Mathematics and the PG Department of Mathematics conducted the “One Day Workshop on Problem Solving in Real Analysis” on 29.12.2023. **Mr. P. Daniel, Assistant Professor, Department of Mathematics, St.Xavier’s College**

(Autonomous), Palayamkottai acted as the resource person. Initially, he elaborated the basics of sequences and convergence of sequences with suitable examples. Then, he continued with the concepts of Infinite series and Tests for Convergent series with examples. The participants had hands on session on solving the problems on sequences and series under his guidance. The UG and PG students of Mathematics, who are aspiring to appear JAM and NET examinations had participated in this workshop. Totally 29 students benefitted through this programme.

6. International Conference on Theoretical and Computational Graph Theory (ICTCGT-2024)

The Departments of Mathematics of VCW, and VET Institute of Arts and Science College, Erode, Tamil Nadu, jointly organized the International Conference on Theoretical and Computational Graph Theory (ICTCGT-2024) from 10-12, January, 2024. This conference was funded by the National Board for Higher Mathematics (NBHM), Science and Engineering Research Board (SERB) and Tamil Nadu State Council for Science and Technology (TNSCST) and Vellalar Educational Trust. The conference schedule includes 18 invited talks and Plenary Talks by renowned mathematicians from reputed universities worldwide including **University of Maribor, Slovenia, University of Minnesota, USA, Alfred Renyi Institute of Mathematics, Hungary, California State University, USA, Bulgarian Academy of Sciences, Bulgaria, Creighton University, USA, Baylor University, USA**, and eminent resource persons from various reputed institutions such as **IIT Varanasi, IIT Ropar, IIT Telengana, Pondicherry University, NIT Calicut, University of Kerala, St. Paul's College, Kerala, Periyar University, Salem** who have diverse knowledge in the field of Graph Theory, Fuzzy Graph Theory and their Applications. There were a total of 115 registrations all over India (Punjab, Gujarat, Uttar Pradesh, Andhra Pradesh, Karnataka, Kerala, Pondicherry and Tamilnadu), and 70 papers for presentation out of which 55 papers have been presented at the conference including 25 papers for 5 best paper awards. Further, the schedule comprised of felicitations to senior professors for their achievements in the respective fields.

6. Extension Activity

Organized an Extension Activity on 12.02.2024 to the students of 6th to 9th standard from Vellalar High School for Girls, Thindal, Erode. The third year students of UG Mathematics explained about the various math models displayed at Mathematics Activity Centre to the school students and thus created interest in learning the mathematical concepts in an easy way. Further, the school students were given a hands-on training on all mathmodels in the Mathematics Activity Centre. They also visited Ramanujan Mathlab and Research Centre and were taught about the advantage of using Free OS LINUX and various FOSS like Geogebra, Sagemath, R programming etc. The participants enjoyed working on math models and free open source math software. A total of 140 students and 2 teachers benefitted through this event.

7. Interschool meet JUNIOR FIESTA-2K24

PG & Research Department of Mathematics (Aided and Unaided) & Department of Mathematics CA organized Interschool meet JUNIOR FIESTA-2K24 on 6th February 2024. **Ms. S. Madhumitha, Research Scholar, National Institute of Technology, Trichy** delivered an interesting lecture on the topic "Math Mystique" and Ms. E. Suhasini, Teacher, Vignesh Vidhya Bhavan, Mampalayam, Namakkal motivated the students on the topic "Maths in Real Life". There were 140 students and 12 teachers from 5 schools registered for 11 competitions. The students showcase their skills, personal aptitude and energetic performance through participating in various competitions. The winners are awarded with

prizes and certificates. The student team of URC Palaniammal Matriculation Higher Secondary School, Erode won the Overall Championship Trophy.

8. Industrial Visit

A two - day Industrial Visit was arranged to Mysuru and Coorg from 16.02.2024 to 18.02.2024. The troop consisting of 40 UG students, 3 kids, two faculty members and 1 non-teaching staff and reached Mysuru on 17.02.2024 morning. The team visited Mysore Zoological Park and Mysore Palace and Kaynes Thechnology, Mysuru where the students got the opportunity to learn how mathematics plays a vital role in networking and in coding. Then the team visited KSR Brindavan Garden. Day 2 began with visiting Tibetan colony, the Golden temple and Haragini Dam and the team returned to the college on 19.02.2024 (morning).

9. National Mathematics Day & National Science Day

National Council for Science and Technology Communication (NCSTC), Department of Science and Technology (DST) and Tamil Nadu State Council for Science and Technology (TNSCST) and VCW, Erode, jointly celebrated National Mathematics Day & National Science Day from 6th February 2024 to 29th February 2024. In this connection, the activities such as **Rally, Workshop, Hands on Training, Competitions and National Seminar** etc. have been organized to create awareness about basic sciences among the school children and college students. Nearly 6000 students from various schools and our college participated in this month long activity.

10. Association Meeting

Department of Mathematics had organized “Mathemagic Association Meeting” on 29.02.2024. **Dr.K.Malar, Associate Professor, Department of Mathematics, Erode Arts and Science College, Erode** served as the chief guest and shared her expertise on “Fractional Differential Equations”. The objective of her talk was to introduce Fractional Differential Equations. Nivethitha.A.S, Secretary, Mathemagic Association presented the Annual Report of Department of Mathematics for the academic year 2023-2024. The prize winners of the various association competitions, organized by the Mathemagic Association were awarded with the certificates and prizes. On the whole, 161 UG students, 5 research scholars and 5 faculty members of the department of mathematics attended and benefitted through this programme.

DEPARTMENT OF PHYSICS

I Department Activities should be submitted in descriptive form adhering to the following subtitles

(Mention the type of fund used - UGC / CPE /DBT –STAR/FIST/ Any other fund)

1. Association competitions

Under the auspices of Physics Association a **Science Quiz** competition was conducted on 06.02.2024 for the First and Second Year B.Sc Physics students. The program was meticulously organized and led by Third year Physics students.

The Winners are

P. Akalya - I B.Sc Physics - I Prize

S. Prithika	-	II B.Sc Physics	-	I Prize
K. Dhivya	-	I B.Sc Physics	-	II Prize
R. Prithiyanka	-	II B.Sc Physics	-	II Prize

Also a Power Point Presentation competition was conducted for the final year Physics students on 06.02.2024 on the topics “Role of Physics in machine learning” and “Physics in Quantum Computing”.

The winners are

V. Tanushree	-	III B.Sc Physics	-	I Prize
A. Gopika	-	III B.Sc Physics	-	II Prize

In connection with Energy Day Celebration, essay writing competition and Drawing competition was conducted on the topics “**Go Green For Our Future** ” on 21.12.2023. Totally 18 students were participated in essay writing competition and 25 students were participated in Drawing competition. The winners are

Essay writing competition

T.Atchaya	-	III B.Com (Aided)	-	I Prize
I.Blessy	-	II B.Sc (IT)	-	II Prize

Drawing competition

M.Farhana Siddiqua	-	II B.Sc (Zoology)	-	I Prize
M.S.Myvizhi	-	II B.Sc (Chemistry)	-	II Prize

3. Lab/Institutional/ Industrial Visit

Industrial Visit:

On March 1, 2024, a group consisting of 46 students pursuing III and II B.Sc. in Physics embarked on an educational excursion to the Radio Astronomy Centre (RAC) at NCRA – TIFR in Ooty. The itinerary included a presentation featuring an informative video on radio telescopes and the fundamental principles of radio astronomy. Subsequently, the students were guided to the site of the Ooty Radio Telescope (ORT), a cylindrical parabolic telescope with equatorial mounting

spanning 530 meters in length and 30 meters in width. An RAC staff member elucidated the telescope's rotational mechanism, essential for monitoring variations in radio waves emitted by celestial bodies within the Solar System. Additionally, the students toured the GRAPES-3 observatory situated in Ooty, India, nestled at an altitude of 2200 meters. This facility is dedicated to investigating the origins, acceleration, and dissemination of cosmic rays by analyzing extensive air showers induced by primary cosmic rays or gamma rays at tera to peta electronvolt energies entering the Earth's atmosphere. Furthermore, the observatory explores solar and thunderstorm phenomena through the detection of cosmic ray muons, facilitated by an array of plastic scintillator detectors and a substantial muon detector employing proportional counters.

DEPARTMENT OF CHEMISTRY

1. Association competitions:

Model Making on “Water Conservation”-19.10.2023

Conserving water plays an important role in protecting the environment. Water conservation can be considered as a tool to use the available water in a wise way. Educating students about the water conservation will support the wellness of Mother Nature. With this social concern VELCHEM, the association of Department of Chemistry conducted a Model making competition on “Water Conservation” for the III B.Sc., Chemistry students on 19.10.2023. The participants promote awareness regarding water conservation methods and technologies through their models. The students shared their innovative ideas and scientific concepts related to rain water harvesting, Drip irrigation processes, Sprinkler irrigation, Rain water storage in apartments, methods to improve the ground water levels. They also highlighted Waste water treatment techniques and Sensors to avoid overflow of water in tanks. The participants demonstrated the importance of 3 R’s Reduce, Recycle and Reuse through their water conservation models. 35 students of III B.Sc., Chemistry eagerly participated in the competition. K. RasigaShri, III B.Sc., Chemistry won the First prize and K. Nandhini, III B.Sc., Chemistry won the Second prize.

Poster presentation on “Energy Conservation”- 20.10.2023

Energy conservation involves the decision and practice of using less energy. Saving energy helps in protecting the natural environment. Making efforts in saving energy improve the economic condition of our nation. Since most of the energy we use comes from non-renewable fossil fuels, conservation of energy reduces the demand and lessens negative environmental impact. With the social concern and to promote the awareness regarding the importance of conservation of energy among the young minds, a Poster presentation on “Energy Conservation” was conducted on 20.10.2023 by the chemistry association VELCHEM. Fifteen students of II B.Sc., Chemistry and I B.Sc., Chemistry actively participated in the competition. The students detailed the various forms of energy like Wind energy, Hydropower, Geo thermal power, Bio energy, Solar power and their efficient utilization. M.N. Harikiruthika, II B.Sc., Chemistry won the First prize and M. Joshika, I B.Sc., Chemistry won the Second prize.

3. Lab/Institutional/ Industrial Visit:

Industrial Visit - 31.08.2023 to 01.09.2023

An industrial visit to **MASCO Tea Factory, Vagamon, Kerala**, conveyed by Dr.S.Deepika Priyadharshini, Assistant Professor, Dr.K.Vanitha Bharathi, Assistant Professor and Mr.M.Shanmugam, Store Keeper from 31.08.2023 to 01.09.2023. A group of 57 students got an opportunity to learn the basics of processing, extraction, purification, separation, distillation, instrumentation techniques, and commercial execution followed in the Tea Factory. This visit helped students to bridge the gap between theory and Practical, to bring change in their practical behavior regarding education and specializing their skills. Students enthusiastically collected fresh

samples and commercial products to take-up their visit further, in the lane of research and personal usage. A visit to the Vagamon pine forest, to engage the students about the flora of natural resources that has been involved in various industrial applications viz. rubber extraction, wood processing etc. has been fathomed. The next day visit to Cochin personifies to educate young minds about the conventional arena from geological museum to traditional temple to ultra-tech mall. The trip started with a visit to Hill Palace- archeological museum that features antique models like crown, furniture, gems, precious stones, building rocks, display items of artistic, cultural of scientific significant pedigree of Cochin Maharaja. The day ended with visit of one of the largest mall in India-LuLu Mall, which showcased all the commercial products under one roof with eye-catching infrastructure. We learnt the waste-water treatment implemented in the mall, before direct leach in the sea water.

4. Extension Activity

Outreach Programme on “Preparation of Homemade Hygienic Products” - 01.03.2024

An outreach programme was jointly organized by the Department of Chemistry, Science club & UBA-VCW on 01.03.2024 at Kaarapparai Village, Thindal. About 18 students from II and III B.Sc., Chemistry, 3 faculty members and 1 non teaching staff were conducted the programme. The program aimed to empower individuals to create their own hygienic products using natural ingredients, thereby promoting sustainability, cost-effectiveness, and health-conscious living. The program covered the preparation of various products including soaps, phenoyl, sanitizer, soap oil and candle. The trained students demonstrated the step-by-step process of preparing different hygienic products, emphasizing safety measures and proper ingredient proportions and took hands-on training with the demonstrated students. Participants were very eager to see the preparation methods and their utilization in their day today life. The prepared samples of phenoyl, soap, candle and sanitizer were distributed to the gathering. In conclusion, the outreach program has successfully achieved its objectives by reaching out to the target audience, fostering meaningful connections, and making a positive impact on the community fulfilling the social responsibilities. Through collaboration, dedication, and innovative approaches, we have laid the groundwork for continued growth and success in our outreach efforts. About 60 people including self help group members from Kaarapparai village were enthusiastically participated and benefited.

Seminar:

“Environmental Sustainability in the Eyes of Chemistry”- 09.02.2024

Department of Chemistry organized an International Seminar entitled “**Environmental Sustainability in the Eyes of Chemistry**” in the hybrid mode on 09.02.2024. In the age of globalization the most burning issue of the time is the adverse effects of environmental degradation par with technical applications on the domestic life. Keeping in mind this the conference aims at having brain storming sessions with the blend of well-known scientist and the budding researchers. Apart from the academic purpose, the conference will also be beneficial for the societal and environmental prevalence. This is one of the steps towards taking corrective measures for saving ourselves from pollution, contaminants and their applications. With a technical and practical background **Mr.A.Senthilkumar**, Chief Engineer, Urban Sub-Division, TWAD, Coimbatore, and **Mrs.S.Revathi**, Assistant Executive Engineer, Urban Sub- Division, TWAD, Erode, served as the resource persons for the Technical session-I. They featured the practical measures of the Tamil Nadu Government on the topic “Effective Water Channels and Purification in the Proximity of Erode Corporation”. They detailed the innovation through process, improvement and invention of new types of transformations in the corporation areas to improve the water resources.

For the Technical session-II, **Dr.M.Prasanthrajan**, Professor & Head, Centre for Agricultural Nanotechnology, TNAU, Coimbatore embarked the participants with fundamental research in Nanoparticle synthesis pertaining to novel procedures to create the new substances that society needs for its environmental development under the title “Environmental Challenges and Sustainable Solutions” through online.

In Technical Session- III, **Dr.Kadarkarai Govindan**, Research Professor, Marquette University, Wisconsin, USA, spoke on the topic “Emerging Contaminants in Water” in online mode. He instilled the participants with the conceptual presentations, with numerous basic examples regarding how the emerging water contaminants affect body parts, despite the purifying technologies. His research aimed at solving well-defined crisis problems on saving water and body parts from plastics, pesticides, fire retardants, pharmaceuticals, personal care products etc.

Workshops:

"Inculcating critical thinking skills" - 12.02.2024 & 14.02.2024

A two-day workshop on **"Inculcating Critical Thinking Skills"** was jointly organized and conducted by the Department of Chemistry and the Department of Physics for second-year undergraduate students on 12th and 14th February 2024. **Mr. Thiagarajan Thirunavukkarasu**, Director, along with **M. Bharathi, S. Abirami, and N. Sivashruthy** from T.I.M.E. Institute, Erode & Salem, served as resource persons. Students were taught shortcuts to solve many problems related to topics such as BODMAS, percentage calculations, blood relations, time-work calculations, age calculations, coding, decoding, profit and loss, error spotting, and multiplication tricks. The speakers emphasized the importance of Quantitative Aptitude in competitive exams, highlighting its role in testing mental alertness. They noted that candidates must remain vigilant about their surroundings, suggesting that acquiring sufficient competency in this area is beneficial for cracking competitive exams and campus interviews. Twenty one II B.Sc. Physics students and thirty eight II B.Sc. Chemistry students participated in this workshop. A total of forty-nine students benefited from this program.

"Experimental Science for Young Minds" - 20.02.2024

In connection with the National Mathematics & Science Day celebrations, Department of Chemistry, Biochemistry & Physics jointly organized an one day workshop entitled "Experimental Science for Young Minds" on 20.02.2024. Laboratory activities had a distinctive and central role in the learning of chemistry as a means of making sense of the natural world. The laboratory provides a unique mode of instruction, learning and assessment in chemistry curriculum. Students learn the best through 'learning by doing method' which can be a student-centered approach. To exalt the interest of Science and Technology among the school children, III B.Sc., Chemistry students along with the faculty members of Department of Chemistry explained varied concepts of chemistry and its applications to the school children through experiments and demonstrations. The identification, manipulation, general use of laboratory apparatus, equipments, safety practices and lab rules, manure making, usage of coir pith in different applications, soap making process with herbal extracts were explained to the participants with demonstration. Explanations were given to the participants regarding the solvent, solute, solutions and to enhance the learning with clarity, the preparation of Normal solutions, Molar solutions and Molal solutions were done. The school children became curious by seeing the pilot scale process of preparation of azo dyes, their application on fibres and block printing process. Exhibiting the testing of acid radicals and basic radicals of Inorganic salts and the hands on experience made the enthusiastic participants filled with

surprise. In order to create awareness about adulteration, the participants were demonstrated with the simple chemical tests that helped to identify the adulterants present in food products like turmeric, chili powder, pepper, coffee powder. Medicinal plants were exhibited and their uses were explained. The purification processes, distillation process were demonstrated. As a whole, the workshop allowed the school students to explore chemical concepts, view changes in matter, and acquire scientific skills in an atmosphere that mimics a professional scientific environment. Around 192 school students got benefitted through the workshop.

Others:

Intercollegiate Meet “Alchemy’ 24” - 10.01.2024

Department of Chemistry organized Intercollegiate Meet **Alchemy’24** on 10.01.2024 with the theme of Chemistry Concepts & Bio-Degradable and Non-Biodegradable Waste Management. Chem Charades, Chem Henna, Chem Connection, Chem Snap, Chem Mime competitions were conducted. Forty two students from PSGR Krishnammal College for Women, Coimbatore, Shree Venkateswara Arts and Science College (Co-Education), Gobichettipalayam, Vivekanandha Arts and Science College for Women, Tiruchengode, Erode Arts and Science College, Erode, Sri Vasavi College, Erode and Nandha Arts and Science College, Perundurai participated in the event. Along with them forty three participants pursuing varied degree courses in VCW also eagerly took part in the event. This intercollegiate meet promote a culture of academic excellence among the young minds and provide a friendly environment to showcase their knowledge and skills. The competitions enhance the confidence level, problem solving skills, critical thinking, competitive spirit and community building. As a whole the Alchemy’24 gave an immersive experience to the passionate young minds.

11.		Vitual one day International Seminar on “Unveiling the Nanohorizons - Frontiers in Nanochemistry Advancements		Attended		PG Department of Chemistry, VCW (Autonomous), Erode	04.01.2024
12.		Workshop on "Herbal Cosmetics - A safe and effective approach"	Erode Vellalar Mahalir Kalluri Munnal ManaviyarSa ngam	Attended		Alumni Association, VCW (Autonomous)	08.01.2024
13.		State level seminar on ‘Skills and Strategies for Career Development’	Erode Vellalar Mahalir Kalluri Munnal ManaviyarSa ngam	Attended		Alumni Association, VCW (Autonomous)	01.02.2024
14.		International Seminar on “Environmental Sustainability in the Eyes of	Vellalar Educational Trust	Organizing Committee Member and Attended		Department of Chemistry, VCW(Autonomous) Erode	09.02.2014

		Chemistry – Lab to Land”					
15.		Two Days Workshop on “Inculcating Critical Thinking Skills”	Vellalar Educational Trust	Organized	-	Department of Chemistry & Physics, VCW(Autonomous), Erode	12.02.2024 & 14.02.2024
16.		National Seminar on “Indigenous Technologies for Viksit Bharat”		Organizing Committee Member and Attended		Science Departments of VCW, Erode	28.02.2024
17.		International Seminar on “Environmental Sustainability in the Eyes of Chemistry – Lab to Land”	Vellalar Educational Trust	Organizing Committee Member and Attended		Department of Chemistry, VCW(Autonomous) Erode	09.02.2014
18.	Dr.S.K.Kavitha	Two days Workshop on “Inculcating Critical Thinking Skills”	Vellalar Educational Trust	Organizing Committee Member and Attended	-	Department of Chemistry & Physics, VCW, Erode	12.02.2024 & 14.02.2024
19.		National Seminar on “Indigenous Technologies for Viksit Bharat”		Organizing Committee Member and Attended		Science Departments of VCW, Erode	28.02.2024
20.		One day state level Seminar “Innovation and Start -Up Ecosystem”		Organizing Secretary & Attended		Research & Development Cell, VCW	28.08.2023
21.	Dr. J.Indira	Workshop “Software for Scientific Writing”		Organizing Secretary & Attended		Research & Development Cell, VCW	04.09.2023
22.		International Conference “Unleash and Reintegrate the Miracle Millets to Sustain Nutritional Security”		Attended		Department of Nutrition and Dietetics, VCW	20.09.2023 & 21.09.2023

23.		International Conference (Online Mode) "Functional Nanomaterials and Nanodevices" (ICFNN 2023)		Attended		Faculty of Allied Health Sciences, Chettinad Academy of Research and Education, Kelambakkam	26.09.2023
24.		International Conference on "Recent Innovations in Chemical Sciences"		Attended and Presented	(i) Synthesis and Characterization of Silver Hydroxapatite-Ursolic Acid Nanocomposites for Biological Applications (Best Paper Presentation-First Prize)	Sona College Of Arts and Science, Salem	29.09.2023
25.	International Conference on "Recent Innovations in Chemical Sciences"		(ii) A Review on Neutraceutical Properties of Pomegranate Seed oil and Grape Seed Extract				
26.	International Conference on "Recent Innovations in Chemical Sciences"		(iii) Biodegradable Polymers- A versatile Material for Diversif				

					ied Applicat ions		
27.		Special Lecture on Youth Awakening Day		Resource Person		Research & Development Cell, VCW	16.10.2023
28.		International Conference on “Chemistry for Sustainability”		Presented	(i)The Study on the Effect of Dextros e Additio n on the morpho logy of Hydrox yapatite Nanopa rticles for Biologi cal Applica tions	Department of Chemistry (SF), PSG College of Arts and Science, Coimbatore	18.12.2023
29.			(ii)Elec tro catalyti c Activit y of Iron Phthalo cyanine and it's Compo site with Carbon Toward s ORR and OER				

30.		One day International Seminar (Hybrid) "Environmental Sustainability in the Eyes of Chemistry - Lab to Land"	Vellalar Educational Trust	Organizing Committee Member and Attended		Department of Chemistry, VCW	09.02.2024
31.		Two days Workshop on "Inculcating Critical Thinking Skills"	Vellalar Educational Trust	Organizing Committee Member and Attended		Department of Chemistry & Physics, VCW(Autonomous), Erode	12.02.2024 & 14.02.2024
32.		National Seminar on "Indigenous Technologies for Viksit Bharat"		Organizing Committee Member and Attended		Science Departments of VCW, Erode	28.02.2024
33.		International Webinar "Benign-By-Design Preparation of Nanomaterials for Catalytic and Sustainable Development"		Attended		Department of Science and Humanities, National Engineering College, Kovilpatti	19.09.2023
34.	Dr.S.Deepika Priyadharshini	International Conference on "Recent Innovations in Chemical Sciences" [ICRICS'23]		Presented	(i) <i>Invitro</i> antioxidant, Antibacterial, Antifungal and Cytotoxicity Studies on Two Phytonstituents Isolated from <i>Albizia procera</i> Seed Extracts	Department of Chemistry, SONA College of Arts and Science, Salem	29.09.2023

35.					(ii) Doxorubicin induced Oxidative stress [Cardiac Dysfunction] in Wistar Rats Treated by <i>Solanum viarum</i> Leaf Extracts		
36.					(iii) <i>Solanum viarum</i> seeds ameliorates Oxidative stress in Doxorubicin-Induced Cardiac Dysfunction in Wistar Rats		
37.		One day National Seminar on “Busting The Myths and Boosting the Protection of Existing Vaccines”		Attended	-	Department of Pharmaceutics , Vellalar College of Pharmacy	01.12.2023
38.		One day International Seminar on “Environmental Sustainability in the Eyes of Chemistry-Lab to Land”	Vellalar Educational Trust	Organizing Committee Member and Attended	-	Department of Chemistry, VCW, Erode	09.02.2024

39.	Dr. K. VanithaBharathi	Two Days Workshop on “Inculcating Critical Thinking Skills”	Vellalar Educational Trust	Organizing Committee Member and Attended	-	Department of Chemistry & Physics, VCW(Autonomous), Erode	12.02.2024 & 14.02.2024
40.		National Seminar on “Indigenous Technologies for Viksit Bharat”		Organizing Committee Member and Attended		Science Departments of VCW, Erode	28.02.2024
41.		Two day International Conference on “Unleash and Reintegrate the Miracle Millets to Sustain Nutritional Security”(URM MSNS)	UGC	Attended		Department of Nutrition & Dietetics, VCW(Autonomous), Erode	20.09.2023 & 21.09.2023
42.		One day National Seminar on “ Busting the Myths and Boosting the Protection of Existing Vaccines”		Attended		Department of Pharmaceutics , Vellalar College for Pharmacy, Erode	01.12.2023
43.		Virtual One day International Seminar on “ Unveiling the Nanohorizons-Frontiers in Nanochemistry Advancements”		Attended		PG Department of Chemistry, VCW(Autonomous), Erode	04.01.2024
44.		One day International Seminar on ‘Environmental Sustainability in the Eyes of Chemistry-Lab to Land’	Vellalar Educational Trust	Organizing Committee Member and Attended	-	Department of Chemistry, VCW, Erode	09.02.2024
45.		Two Days Workshop on “Inculcating Critical Thinking Skills”	Vellalar Educational Trust	Organizing Committee Member and Attended	-	Department of Chemistry & Physics, VCW(Autonomous), Erode	12.02.2024 & 14.02.2024
46.		National Seminar on “Indigenous Technologies for Viksit Bharat”		Organizing Committee Member and Attended		Science Departments of VCW, Erode	28.02.2024

47.	Dr. V.Priya	National Workshop on “NEP 2020-Roadmap for Changing Indian Education with a Concentration on STEM & Skills Development”		Attended		IQAC, Nehru Institute of Technology (Autonomous) , Coimbatore	08.09.2023 & 09.09.2023
48.		International webinar on “Metal Organic Framework Derived Nanomaterials for High Performance Super capacitors”		Attended		Department of Physics, Government Arts & Science College for Women, Barugur	19.09.2023
49.		International Conference on “Unleash and Reintegrate the Miracle Millets to Sustain Nutritional Security”		Attended		Department of Nutrition and Dietetics, VCW(Autonomous), Erode	20.09.2023 - 21.09.2023
50.		National Seminar on “Millets- The Future Super Food”		Attended		PG & Research Department of Foods and Nutrition, VCW(Autonomous), Erode	25.09.2023

II. (3) Details of Conferences/Seminars/Webinars/Workshops/Symposia – Resource Person / Presented / Attended by the Faculty members

S. No.	Name of the Faculty	Title of Conference/ Seminar/ Webinar/ Symposia/ Workshop	Funding Agency	Resource Person/ Presented/ Attended	Title of the Paper / Talk	Organizer	Date(s)
1	Dr.C. Yuvapriya	“Applications of Fuzzy logic in Image processing using MATLAB and Hands - on training on Fuzzy logic using MATLAB	-	Resource Person	Machine learning algorithms and soft computing techniques for Learning Mathematics	Department of Mathematics, Bannari Amman Institute of Technology, Sathyamangalam	14.08.2023
2	S.Dhanalakshmi	A Two-Day Online Hands-on Workshop to Mastering Mathematical Concepts with Python Programming	-	Attended	-	Indian Mathematics Professors Association and infinity Research & Development Institute, Coimbatore	17.08.2023 - 18.08.2023
3	P.Nachammal						
4	M.Madhubala						
5	A.Vijayalakshmi						
6	Dr.C.Yuvapriya						
7	S.Dhanalakshmi	An International Seminar on Multi Dimensional Views on Graph Theory	-	Attended	-	PG Department of Mathematics Government Arts College For Women, Salem	18.08.2023
8	V.Tamilselvi	International Conference on Graph Theory and its Applications	-	Presented	A study Emergence of Clutch Graphs from Cycle Graphs	Department of Mathematics, CHRIST(Deemed to be University), Bangalore	30.11.2023 - 02.12.2023

9	R.Keerthika	Workshop on Intuitionistic Fuzzy Sets	-	Presented	Regularity and Duality of Intuitionistic Fuzzy K -Partite Hypergraphs	Slovak Academy of Sciences, Slovakia	15.12.2023
10	P.S.Kayalvizhi	Guest Lecture	-	Resource Person	Queuing Network	Ameya-Association of Mathematics, VET Institute of Arts and Science, Erode	07.10.2023
11	K.Kanakambika	National Mathematics Day	-	Resource Person	The Man who know Infinity	Ameya-Association of Mathematics, VET Institute of Arts and Science, Erode	22.12.2023
12	K.Kanakambika	International Conference on Theoretical and Computational Graph Theory	DAE-NBHM, DST-SERB, TNSCST	Attended	-	Department of Mathematics (Aided & Unaided), Vellalar College For Women (Autonomous) and VET Institute of Arts and Science, Erode	10.01.2024 - 12.01.2024
13	P.S.Kayalvizhi	International Conference on Theoretical and Computational Graph Theory	DAE-NBHM, DST-SERB, TNSCST	Attended	-	Department of Mathematics (Aided & Unaided), Vellalar College For Women (Autonomous) and VET Institute of Arts and Science, Erode	10.01.2024 - 12.01.2024

14	R.Keerthika	International Conference on Theoretical and Computational Graph Theory	DAE-NBHM, DST-SERB, TNSCST	Attended	-	Department of Mathematics (Aided & Unaided) , Vellalar College For Women (Autonomous) and VET Institute of Arts and Science, Erode	10.01.2024 - 12.01.2024
15	Dr.R.Prahalatha	International Conference on Theoretical and Computational Graph Theory	DAE-NBHM, DST-SERB, TNSCST	Attended	-	Department of Mathematics (Aided & Unaided) , Vellalar College For Women (Autonomous) and VET Institute of Arts and Science, Erode	10.01.2024 - 12.01.2024
16	K.SrIREkha	International Conference on Theoretical and Computational Graph Theory	DAE-NBHM, DST-SERB, TNSCST	Attended	-	Department of Mathematics (Aided & Unaided) , Vellalar College For Women (Autonomous) and VET Institute of Arts and Science, Erode	10.01.2024 - 12.01.2024
17	V.Tamilselvi	International Conference on Theoretical and Computational Graph Theory	DAE-NBHM, DST-SERB, TNSCST	Attended	-	Department of Mathematics (Aided & Unaided) , Vellalar College For Women (Autonomous) and VET Institute of Arts and Science, Erode	10.01.2024 - 12.01.2024
18	K.Kalyani	International Conference on Theoretical and	DAE-NBHM, DST-	Attended	-	Department of Mathematics (Aided &	10.01.2024 - 12.01.2024

Details of Conferences/Seminars/Webinars/Workshops/Symposia – Resource Person / Presented / Attended by the Faculty members

S. No.	Name of the Faculty	Title of Conference/ Seminar/ Webinar/ Symposia/ Workshop	Funding Agency	Resource Person/ Presented/ Attended	Title of the Paper / Talk	Organizer	Date
1.	Dr. M.Jothi	State level Seminar on Exploring Tangible Ways to do a Quality Research	-	Organizing Member	-	Research and Development cell	15.03.2023
2.	Dr. M.Jothi	IPR- Legal Protections In Research Portfolio To Grow Globally Competitive	-	Organizing Member	-	Research and Development cell	22.01.2024
3.	Dr. M.Jothi	Research Metrics	-	Organizing Member	-	Research and Development cell	22.01.2024
4.	Dr. M.Jothi	Innovation and start-up ecosystem	-	Organizing Member	-	Research and Development cell and Institutions invovation council	28.08.2023

5.	Dr. M.Jothi	National Conference On Futuristic Materials In Science And Technology(NC FMST-2023)	-	Presented	Presented a paper entitled Growth And Characterization Of Potassium Hydrogen Phthalate Doped With Tin Chloride And Predicting Its Non-Linear Optical Properties	Department of chemistry, Bannari Amman Institute of Technology, Sathyamangalam	05.06.2023
6.	Dr. P.Sri Devi	National Conference On Futuristic Materials In Science And Technology(Nc fmst-2023)	-	Presented	Presented a paper entitled Green Mediated Synthesis Of Copper Doped Zinc Oxide Using Morindia Citrifolia (Noni) Leaf And Fruit Extract	Department of Chemistry, Bannari Amman Institute of Technology, Sathyamangalam	05.06.2023
7.	Dr. K.Sujatha	National Conference On Futuristic Materials In Science And Technology(NC FMST-2023)	-	Presented	Presented a paper entitled Photoluminescence Properties Of Pure, Fe Doped And Surfactants Assistand Fe Doped Tin Oxide Nano particles	Department of chemistry,Bannari Amman Institute of Technology, Sathyamangalam	05.06.2023
8.	M. Muthulakshmi	National Conference On Futuristic Materials In Science And Technology(NC FMST-2023)	-	Presented	Presented a paper entitled Investigation Of Structural, Optical,Morphological And Photocatalytic Properties Of Zinc Sulphide Nanoparticles Prepared By Chemical Co-Precipitation Method	Department of chemistry,Bannari Amman Institute of Technology, Sathyamangalam	05.06.2023

9.	Dr. P.Sri Devi	International Conference Functional Nanomaterials And Nanodevices(IC FNN-2023)	-	Attended	-	Faculty of Allied Health sciences, Chettinad Academy of Research and Education, Kelambakkam	26.09.2023
10.	Dr. P.Sri Devi	Outcome Based Approach For Quality Assuranc In Higher Education	-	Attended	-	Internal Quality Assurance Cell(IQAC), Vellalar college for Women	28.07.2023
11.	Dr. K.Sujatha	Outcome Based Approach For Quality Assuranc In Higher Education	-	Attended	-	Internal Quality Assurance Cell(IQAC), Vellalar college for Women	28.07.2023
12.	Dr. P.Sri Devi	Special Lecture On Healthy Life Style	-	Resource Person	-	Department of Biochemistry, Biotechnology and Bioinformatics Avinashilingam Institute for Home Science and Higher Education for Women	14.2.2024
13.	Dr. M.Jothi	Spectral Analysis and Data Interpretation	-	Attended	-	Department of Physics & Biochemistry under DBT Star College Scheme	06.03.2024
14.	K.G. Aarthe	Spectral Analysis and Data Interpretation	-	Attended	-	Department of Physics & Biochemistry under DBT Star College Scheme	06.03.2024

Faculty recharging strategies

S. No.	Orientation/Refresher/ FDP/Retraining/WS/SS	Resource Person/ Attended	Date	Organizer	Funding Agency
1	FDP on Evaluation Strategies & Classroom Management Skills	Attended	05.02.2024 - 06.02.2024	IQAC, Michael Job Memorial College of Education for Women, Coimbatore	-

2	FDP on Development of Materials characterization techniques and their future prospects	Attended	18.12.2023 - 22.12.2023	Department of Physics	DBT star Status Scheme
3	FDP on International Faculty Development Program- Innovating Environmental Protection: Integrating Cutting-Edge Chemical Engineering Practices for Sustainable Future	Attended	26.2.2024 - 01.3.2024	Department of Chemical Engineering, Hindusthan College of Engineering and Technology, Coimbatore	-
4	FDP on Strengthening Tenets of Specific Institutional Practices and Professional Skills in the context of NEP 2020	Attended	30.10.2023 - 31.10.2023	IQAC, Vellalar College for Women, Erode	-
5	FDP on Pedagogy and AI Arenas for Outcome based Education	Attended	08.2.2024 - 09.2.2024	Department of Physics & Zoology, Vellalar College for Women, Erode	-
6	FDP on Recent Advancement in Smart Materials for Sustainable energy Application	Attended	20.11.2023 - 25.11.2023	Centre for Nanoscience & nanotechnology International Research Centre	-

DEPARTMENT OF CHEMISTRY (PG)

1. Guest lecture / visiting faculty - Faculty exchange with NGP College
Dr. R.Kayalvizhi & Dr.V. Chitra
2. Association competitions - Nobel Chem Association
Competition I : Everyday in Chemistry - Chem Quiz
Winners - M.S.Elakkiya I prize , C. Vinothini II Prize
Competition II : Chem Fusion
Winners - G.Divya I Prize , S. Iniya II Prize
3. State /National / International Workshops / Conferences / Seminars / Webinars / Symposia / Others organized

S. No.	Name of the Faculty	Title of Conference/ Seminar/ Webinar/ Symposia/ Workshop	Funding Agency	Resource Person/ Presented/ Attended	Title of the Paper / Talk	Organizer	Date(s)
1.	Dr.Kayalvizhi	International Conference on Chemical Sciences ICCS 2023	-	Attended	-	Department of Science, Christ Academy Institute for Advanced Studies, Bangalor	22.06.2023 - 23.06.2023
2.		Modern Functional Materials and Its Multifunctional Applications (ICMFM-2023)	-	Attended	-	Department of Physics Erode Sengunthar Engineering College Perundurai	21.07.2023 - 22.07.2023

3.		Benign by design preparation of nanomaterials for catalytic and sustainable development	-	Attended	-	National Engineering College, Kovilpatti	19.09.2023
4.		ICFNN	-	Attended	-	Chettinad Academy of Research and Education	26.09.2023
5.		Recent innovations in chemical sciences (ICRICS'23)	-	Attended	-	Sona College of Arts and Science, Salem-1	29.09.2023
6.		National level seminar on Basic sciences for sustainable challenges and prospects	-	Attended	-	Bon Secours Arts and Science College for Women, Veppadai.	13.10.2023
7.		International seminar on Unveiling the Nanohorizons-Frontiers in Nanochemistry Advancements	-	Organised	-	Vellalar College for Women, Erode	04.01.2024
8.		International Conference on Chemical Sciences ICCS 2023	-	Attended	-	Department of Science, Christ Academy Institute for Advanced Studies, Bangalore	22.06.2023 - 23.06.2023
9.	Dr.S.Malathi	Modern Functional Materials and Its Multifunctional Applications (ICMFM-2023)	-	Presented	Synthesis and Physio chemical Characterization of Zinc Oxide and Ag doped Zinc oxide Nanocomposites and its applications for wastewater treatment	Department of Physics Erode Sengunthar Engineering College Perundurai	21.07.2023 - 22.07.2023

10.	G.Myvizhi	Outcome based Approach for Quality Assurance in Higher Education	-	Attended	-	Internal Quality Assurance Cell, VCW,Erode	28.07.2023
11.		Exoplanets: Distinct Worlds from the Solar System	-	Attended	-	Division of Physical Sciences,Karunya Institute of Technology and Sciences, Coimbatore	04.08.2023
12.		Benign by design preparation of nanomaterials for catalytic and sustainable development	-	Attended	-	National Engineering college, Kovilpatti	19.09.2023
13.		ICFNN	-	Attended	-	Chettinad Academy of Research and Education	26.09.2023
14.		Recent innovations in chemical sciences (ICRICS'23)	-	Presented	Studies on the removal of Ni(II) from Aqueous solution by activated carbon from Cotton Seed cake with Conc. H ₂ SO ₄	Sona College of Arts and science, Salem	29.09.2023
15.		Thrust Areas in Chemistry	-	Attended	-	Department of Chemistry, Gobi Arts & Science College, Gobi	13.10.2023
16.		International seminar on Unveiling the Nanohorizons-Frontiersin Nanochemistry Advancements	-	Organised	-	Vellalar College for Women, Erode	04.01.2024

17.	Dr.M.Sumithra	International Conference on Chemical Sciences ICCS 2023	-	Attended	-	Department of Science, Christ Academy Institute for Advanced Studies, Bangalore	22.06.2023 - 23.06.2023
18.		Modern Functional Materials and Its Multifunctional Applications (ICMFM-2023)	-	Presented	Microwave assisted green synthesis of zinc oxide and Ti doped Zinc Oxide nano composites for photo catalytic applications	Department of Physics Erode Sengunthar Engineering College Perundurai	21.07.2023 - 22.07.2023
19.		Outcome based Approach for Quality Assurance in Higher Education	-	Attended	-	Internal Quality Assurance Cell, VCW, Erode	28.07.20.23

DEPARTMENT OF BIO-CHEMISTRY

1. Special Meetings – 1

BRIGID - Association of Biochemistry Department organized a Special Meeting on the topic “Digital Eye Strain Syndrome” for students on 14.08.2023. **Dr. Manjula Muthusamy., MBBS., DO.,** Senior Consultant Cataract, Medical Retina & Ophthalmology, The Eye Foundation, Tirupur addressed the Participants about the eye- and vision-related problems that result from prolonged computer, tablet, e-reader and cell phone use which is termed as Digital Eye Strain Syndrome (DES) or Computer Vision Syndrome. 65 students of Biochemistry department enthusiastically participated. Guest Speaker briefed the participants on Management options for DES like reducing average daily screen time, frequent blinking, improving lighting, minimizing glare, taking regular breaks from the screen, changing focus to distance object intermittently, and following the 20-20-20 rule to reduce eye strain and advised the students on the measures to be taken to protect themselves from DES including high-resolution screens, inbuilt antireflective coating, matte-finished glass, edge-to-edge displays and image smoothening graphic effects and from the dreadful disease.

2. Guest Lecture /Visiting Faculty – 1

BRIGID - Association of Biochemistry Department organized a Guest Lecture on the topic “Scope of Enzymes in Diagnostic Prospects” for students on 04.09.2023. **Dr. R.Periasamy, Associate Professor of Biomedical science, Mizan Tapi University, Ethiopia** addressed 70 Participants about the critical role of enzymes in the metabolic activities which are widely applied in the view of diagnostic prospects. Also enlightened the fact that abnormality of the enzyme metabolism system will lead to a number of metabolic diseases and enzymes which are preferred markers for the detection of various diseases such as jaundice, myocardial infarction, neurodegenerative disorders, cancer and so forth.

3. Association competitions – 2

BRIGID organized the Association competitions for UG Biochemistry students on 29.12.2023. In Connection – Science Words, Ms.A.Dhakshana, III. B. Sc. Biochemistry won I Prize and Ma. D. Latchana, II. B. Sc. Biochemistry won II Prize. In Cross Word Puzzle – Biochemistry words, Ms.K.Rametha, III B. Sc. Biochemistry won I Prize and Ms. A. Sasmitha, II B.Sc Biochemistry won II Prize.

IV Bureau of Indian Standards Club was inaugurated on 15th of February 2024 by the Department of Foods and Nutrition.

Mentor: Dr.S.Ponne, Associate Professor, Foods and Nutrition

The first session was handled by the chief guest, **Dr A Sabanayagam, Advisor, Karpagam Institute of Technology, Coimbatore**, who elaborated on the Basics of Food Standards, the Organizations involved and the Role of Students as Ambassadors of BIS. The second session began at 11:30 AM, after a short break, and was presided over by **Mr. Gowtham Ramesh, Consultant, Bureau of Indian Standards (BIS), Coimbatore branch**, where he explained the uses of the BIS care app and on how to navigate and make the most of it. He also expanded on HUID and other new standards introduced by BIS. The third session involved a Standards writing competition, where the participants were divided into groups to brainstorm and come up with ideas related to the Standards for Biscuits. The results were evaluated and the winners were announced. The program came to an end with the prize distribution ceremony, followed by a vote of thanks by student leader of Standards Club C.Keerthika, I-M.Sc., Foods and Nutrition.

Standards Club of VCW organized an awareness program to create awareness on World Consumer Rights Day and BIS Care App to the staff members and students on 15.03.2024.

Bridge Course Report Date: 03.07.2023 to 24.07.2023

Department of Computer Applications has organized a 40 Hours Bridge Course from 03.07.2023 to 24.07.2023 for non-mathematics UG Students.

The main objective of the programme is to enlighten students' fraternity with the basic concepts in Mathematics. The syllabus for the course is framed in such a way that they get knowledge on the Mathematics which they would be learning through graduation. The programme aims at engaging students with the subject inputs include Matrices, Fundamentals of statistics, Numerical methods, Theoretical Distribution, Probability and Vectors. The learners will be exposed to Pre and Post-diagnostic tests to ensure their knowledge in the subjects. 53 students were participated in this programme. The sessions were so interesting that the learners enthusiastically participated in the tasks assigned and displayed their enthusiasm and motivation throughout the programme. 1) **Ms. A.Vijayalakshmi**, Assistant Professor, Department of Mathematics, Vellalar College for Women, Erode – 12 was the Resource Person of this programme.

Extension Activity – “Insight into modern technological trends”

Department of Computer Science (UG & PG), Computer Applications & Computer Science with Artificial Intelligence jointly organized an extension activity “Insight into modern technological trends” on 08.03.24 at Panchayat Union Primary School, Kaarapparai. Our students have exhibited models related to modern technologies. The school students feltan exciting journey that empowers them to become active participants in shaping the future. By embracing curiosity, exploring new technologies, and understanding their impact, students can become informed citizens, creative problem solvers, and future innovators. This extension activity served as a catalyst for exploration, discovery, and learning, inspiring school students to engage with modern technological trends and embark on a path of lifelong discovery and innovation. Around 45 school students have benefited

Detailed Report- **Annexure- I**

The Department has organized one day workshop on “Web Development using Python”on 02.08.2023 from 10.00 a.m. to 3.45 p.m. in Computer Lab 6. The objective of this programme is to gain knowledge on python and how to use this language to design a web page. He trained them to test web application with different testing methods across various web browsers. The Chief Guest **Mr. P. Gobinath, ETS Academy, Erode**, act as the resource person. III BSc IT students (54) were participated and benefited in this programme.

The Department organized a one day workshop on “Web Development Using PHP”on 28.08.2023 from 10.00 A.M to 3.45 P.M. in Computer Lab X. The objective of this programme is to gain knowledge on PHP and how to use this language to develop webpages. The Chief Guest **Mr. K. Boopathikumar, CEO & Founder, Training Train’s & Domainhostly.com, Erode**, acts as the resource person. III BSc IT students (54) participated and benefited in this programme.

The Department organized a two day workshop on “DTP Design Tools : Photoshop and Coreldraw”From 11.12.2023 to 12.12.2023 in Computer Lab XI . The objective of this program is to gain knowledge to use different features of Photoshop and coreldraw. It helped to enhance students' designing skills and to create visually appealing graphics skills. The Chief Guest **Mr. S. Sathish Kumar, Centre Manager, Dreamzone, Erode** and **Mr. M. Raghu, Graphic Designer and Trainer, Dreamzone, Erode**, acts as the resource person. III-Bsc IT Students (54) participated and benefited in this programme.

The Department organized a one day workshop on “WordPress”on 29.12.2023. The objective of this program is to gain the hands on experience on fundamental administrative functions of the wordpress dashboard and a solid understanding of basic themes and plugins. It helped to enhance students' developing skills to create professional websites and blogs. The Chief Guest **Karan Dharmalingam, & Hemanth.S, Director of Calanjyiam Consultanciesand Technologies, Gobichettipalayam** acts as the resource person. III-Bsc IT Students (53) participated and benefited in this programme.

The Department organized a one day workshop on “The Power of Visualization with Tableau”on 10.01.2024. The objective of this program is to gain proficiency in creating interactive dashboard, reports and charts using Tableau. The students can able to explore,

understand data, identify patterns and visualize data in an appealing manner The Chief Guest **Shri Abhiraami Thangavel**, Data Science Intern Roosevelt Innovations, LLC., Okemos, Michigan, USA. III-Bsc IT Students (44) participated and benefited in this programme.

The Department organized a one day workshop on “Mobile App Development” on 13.02.2024. The workshop helps the students to understand the architecture and various tools in android framework.. The Chief Guest **Mr. M. VIJAYAN**, Application Developer, MasterMind Techno Solution, Namakkal acts as the resource person. III-Bsc IT Students (54) participated and benefited in this programme.

The Department organized a one day Seminar on “SAP Module – An Overview” on 26.02.2024. The function was presided over by **Mrs.C.Usha Nandhini**, Assistant Professor & Head, Department of Information Technology, Vellalar College For Women, Erode. The seminar aimed to educate participants on the benefits of implementing ERP solutions in organizations. Participants gained a deeper understanding of the benefits of ERP implementation and learned about best practices for leveraging ERP solutions to drive business growth. The Chief Senthilkumar.A, CEO & Founder, Techpluz, Erode. III-Bsc IT Students (52) participated and benefited in this programme.

5.Lab/Institutional/ Industrial Visit

An Industrial visit to Munnar and Kochi for two days from 17.08.2023 to 18.02.2023 was arranged for the students of III B.Sc., IT. Thirty Four (34) students were accompanied by two staff members and one non teaching staff. Industrial visit to Geminin Information Services, Ernakulam was undertaken with a chance to meet industry professionals. Students also visited famous tourist spots in and around Kochi and Munnar.

6.MoU Signed

- The Department of Information Technology have signed MOU with Vijayan Tech IT Solutions, Vijayamangalam, Perundurai, Erode for III B.Sc., IT students on “PHP with MySQL” & “ Python Programming” for the academic year 2023-2024.
- The Department of Information Technology has signed MOU with Abi Bridal Stylish, Erode for II year students to offer Centre for Skill Enhancement course on “Well Groomed Women” for the academic year 2023-2024 June to November.
- The Department of Information Technology has signed MOU with Aaras Beauty Care, Palayapalayam, Erode for II year students to offer Centre for Skill Enhancement course on “Well Groomed Women” for the academic year 2023-2024 December to April.

SEMINAR

The Department organized one day seminar on “NUANCES in IT” on 14.08.2023 for the second and third year students of Computer Technology.

Session I: Topic: Emerging Technologies in IT Sector Time: 10.00 am to 1.00 pm

Mr.Yuvaraj Muniappan, Project Manager - Technical, CIBC- Canada addressed the students with his knowledge on emerging trends and technologies in IT sector and also created awareness about higher education in foreign countries.He shared his industry experiences and explained in detail the latest technologies like Business Intelligence, Cloud Computing, Networking, Internet of Things (IoT) enhancing in IT field. He also spoke on career perspective domains in IT industries for the students.

Session II: Topic: Web Development Time: 1.00 pm to 3.45 pm

Mr.D.Karan, Director and Developer, Calanjiyam Consultancies and Technologies, Erode addressed the students with his deep knowledge on web development and the very basics of web designing and knowing the components of a web page. It deals with the basic study of HTML (Hyper Text markup Language), CSS (Cascade Style Sheets), and Javascripts. In the latest trends Web Designing is the very rapidly developing field in present

market and has attracted many new developers. The session was very useful for the students to explore their knowledge on designing their websites.

SEMINAR

The Department organized one day seminar on “IoT based Intelligent Applications” for our CT students on 21.12.23. **Dr.S.P.Kesavan, Associate Professor, Department of Artificial Intelligence and Data Science, Muthayammal Engineering College, Rasipuram, Namakkal**, addressed the students with his innovative ideas on IoT and its Applications in the first half session. In the Second half session, hands on training on “Arduino” was given to second and third year CT students. Arduino is an open-source platform used for building electronics projects. Arduino consists of both a physical programmable circuit board (often referred to as a microcontroller) and a piece of software, or IDE (Integrated Development Environment) that runs on your computer, used to write and upload computer code to the physical board. Additionally, the Arduino IDE uses a simplified version of C++, making it easier to learn to program. Arduino provides a standard form factor that breaks out the functions of the micro-controller into a more accessible package.

WORKSHOP

The Department organized workshop on “Website Creation Using Wordpress” for our CT students on 22.01.24. **Mr.S.BanuChandar, Director and Developer, Adrinom Infotech, Erode** addressed the students with his innovative ideas on wordpress. Word Press (WP, WordPress.org) is a free and open-source Content Management System (CMS) written in PHP and paired with a MySQL or Maria DB database. Features include a plug-in architecture and a template system, referred to within Word Press as Themes. Word Press was originally created as a blog-publishing system but has evolved to support other web content types including more traditional mailing lists and forums, media galleries, membership sites, Learning Management Systems (LMS) and online stores. Our students gained hands on experience using wordpress dashboard and got better knowledge on basic plugins and themes. With this knowledge students would be able to develop a website on their own.

SEMINAR

The Department organized one day seminar on “Building Resilience” for our CT students on 20.02.24. **Dr.A.Malathi Associate Professor, PG & Research Department of Computer Science, Government Arts College, Coimbatore** addressed the students with her motivational thoughts and asked them to Engaging in positive thinking, Being open about our thoughts and opinions, Assuring the other person that we care through both our words and actions, Developing our own relationships with friends of people we care about and Sharing tasks to help reduce each person's responsibilities. Our students learn how to lessen unpleasant feelings and enhance their quality of life.

INTER-COLLEGIATE MEET CYBER EXPO 2K23

Vellalar College for Women, Computer Science Stream organized an Intercollegiate Meet – CYBER EXPO 2K23 on 25.08.2023. **Dr. P. Narendran, Associate Professor & Head, Department of Computer Science (Aided), Controller of Examinations, Gobi Arts & Science College, Gobichettipalayam** acted as chief guest. He explored the concept of the entrepreneur and inspired the students to take part in activities hosted at other colleges to hone their abilities. Nearly 259 students from 20 Colleges in and around Erode and Coimbatore were participated. The event included four competitions Scramblers, Debugging, Master Mind & Tech Ad. The event provided an excellent platform for students from various

colleges to showcase their talents and compete against each other. The students of our college did not participate in this event so as to give a fair judgment. The morning session began with registrations for the respective events which included Scramblers, Debugging & Master Mind. The post lunch session included Tech Ad and Valediction. The winners securing the first and second positions in each event were awarded with cash and certificates. Participant certificates were given to all the other participants. The Overall championship was won by the team of students from Department of Computer Science, Kongu Arts and Science College, Erode. The response received from various colleges and the feedback of the participants was positive which a great boost to the Computer Science Stream is. Overall the event was well organized and successful. Organizer : Department of Information Technology & Department of Computer Technology

3. Lab/Institutional/ Industrial Visit

An Industrial visit to Munnar and Kochi was organized by the department from 17.08.2023 to 18.08.2023. Two Staff members and one non-teaching staff with thirty (30) students visited the Gemini Information Services, Kochi in order to get the practical knowledge about procedures of an IT company.

4. MoU Signed

1. The Department of Computer Technology have signed MoU with Vijayan Tech IT Solutions, Vijayamangalam, Erode for III B.Sc., CT students on “PHP with MySQL” & “Python Programming” for the academic year 2023-2024.

2. The Department of Computer Technology has signed MoU with “Scribble Art Studio”, Erode for II year students to offer Centre for Skill Enhancement course on “Kerala Mural Painting” for the academic year 2023-2024 June to April.

DEPARTMENT OF GEOGRAPHY

Department Activities

1. One day seminar & Inter-collegiate Competition

Sustainable Development of Resources

Date: February 1, 2024

Organizer: Department of Geography, Vellalar College for Women

Venue: SCS Hall, Vellalar College for Women (Autonomous), Erode-12.

Welcome Address

The seminar began with a warm welcome address by Ms. S. Juliat, Assistant Professor and Head, Department of Geography, Vellalar College for Women. She expressed gratitude to all participants and emphasized the importance of the event in fostering academic excellence and cultural exchange.

Inauguration Speech

Dr. P. Krishnaiah, Assistant Professor, Department of Geography, Vellalar College for Women, delivered the inauguration speech. He highlighted the significance of geography in understanding and addressing contemporary global challenges, and encouraged students to actively participate in the seminar and competition.

Seminar Title: Sustainable Development of Resources

The theme of the seminar, "Sustainable Development of Resources," aimed to explore strategies for the sustainable use of natural resources and the promotion of environmental conservation.

Keynote Address

Following the welcome address and inauguration speech, the seminar continued with a keynote address by **Dr. R. JeganKumar**, Professor and Head, Department of Geography, Bharathidasan University. His address focused on the relevance of geography in the context of sustainable development and resource management.

Technical Sessions

The seminar featured technical sessions on various topics related to sustainable development and resource management, including:

1. Resource Conservation Strategies: This session explored innovative strategies for conserving natural resources and promoting sustainable development.
2. Environmental Impact Assessment: Speakers discussed the importance of environmental impact assessments in ensuring sustainable development practices.
3. Community Participation in Resource Management: The session highlighted the role of local communities in sustainable resource management and development.

Intercollegiate Competition

The competition included various events such as poster making, quiz, connection, and face painting. Students from different colleges and departments participated actively, showcasing their research, analytical skills, and creativity.

Conclusion

The seminar and intercollegiate competition organized by the Department of Geography, Vellalar College for Women, was a resounding success. It provided an enriching experience for students, faculty, and participants, fostering collaboration and learning in the field of geography. The event concluded with a vow to continue organizing such events to promote academic excellence and cultural exchange in the future.

2. Association competition

The academic year 2023-2024 The Department of Geography has organized the Association competitions on 21st February 2024 (Wednesday) at 11.00 A.M.

The competitions are:

Association competition Prize winners are:

Quiz competition:

1st prize: Subadharshini. S (3rd B.Sc. Geography)

2nd prize: Radhiya Parveen A.J (3rd B.Sc. Geography)

Poster presentation:

1st prize: Kowsika. A (3rd B.Sc. Geography)

2nd prize: Sabarmathi. M (2nd B.Sc. Geography)

2. Industrial Visit:

Report on Industrial Visit to Thekkaday, Vagamon, Kerala

Date: 13th August 2023 - 14th August 2023

Venue: Thekkaday, Vagamon, Kerala

Participants:

24 Students from II B.Sc., Geography and III B.Sc., Geography 2 Faculties (Ms. S. Juliat, Assistant Professor & Head and Ms. R. Pavethra, Assistant Professor) Department of Geography (Unaided), Vellalar College for Women, Thindal, Erode -638012

Objective:

The industrial visit was organized with the aim of providing students with practical exposure to geographical concepts and their applications in the field. It aimed to enhance their understanding of the natural and cultural landscape of the region and its relevance to their academic studies.

Activities and Highlights:

- The industrial visit commenced on 12th August 2023, with students and faculty members departing from Vellalar College for Women.
- The journey to Thekkaday and Vagamon, Kerala, was educational in itself, as students observed and studied the changing landscapes and geographical features along the way.
- Upon arrival, students were given a warm welcome by the local authorities and introduced to the unique geographical features of Vagamon.
- The group engaged in various activities, including nature walks, trekking, and visits to local landmarks, to understand the geography of the region better.
- Students had the opportunity to interact with local communities and learn about their way of life, culture, and the geographical factors influencing their livelihoods.
- Visits to tea plantations and spice gardens provided insights into the agricultural practices and economic geography of the region.
- The group also visited eco-tourism spots and learned about sustainable tourism practices and their impact on the environment.
- Interactive sessions and discussions were held to reflect on the experiences and relate them to the theoretical concepts studied in the classroom.
- The industrial visit concluded on 15th August 2023, with students returning to Vellalar College for Women with a deeper understanding of geographical concepts and their practical applications.

Outcome:

The industrial visit to Thekkaday, Vagamon, Kerala, was highly enriching and educational for the students of the Department of Geography (Unaided), Vellalar College for Women. It provided them with a hands-on learning experience and a better understanding of the geographical aspects of the region. The visit helped bridge the gap between theory and practice and enhanced the students' overall learning experience.

Overall, the industrial visit to Thekkaday, Vagamon, Kerala, was a resounding success, providing students with valuable insights and practical knowledge that will benefit them in their academic and professional pursuits.

2. Internship Details

Date: 21st November 2023 - 30th November 2023

Internship Participants:

- 9 students to JS Geospatial Solutions Private Limited,
- 8 students to Global Position Land Survey Private Limited
- 4 students went on an internship to a local government school in Erode.

Objective:

The internship aimed to provide students with practical exposure to geospatial technologies, land surveying techniques, and data analysis. It aimed to enhance their skills and knowledge in the field of geography and prepare them for future career opportunities.

Activities and Learning:

In JS Geospatial Solutions Private Limited where they were taught Digital Image Processing, Satellite Image Analysis, and Vector Analysis Using QGIS, managed by Dr. V. Jeevivek.

In Global Position Land Survey Private Limited, where they were taught Dumpy Level survey, AutoCAD, Total Station Survey, and DGPS Survey, headed by Mr. Tamilarasan, who is also a survey engineer.

- They gained hands-on experience in processing digital images, analyzing satellite images, and conducting vector analysis using QGIS software.
- Students also learned about the applications of these technologies in various fields such as environmental monitoring, urban planning, and natural resource management.
- Students at Global Position Land Survey Private Limited were engaged in land surveying activities, including field surveys, data collection, and mapping, and were also taught Dumpy Level survey, AutoCAD, Total Station Survey, and DGPS Survey.
- They learned about different surveying techniques, equipment, and software used in the industry.
- The four students who interned at a local government school in Erode were involved in activities related to geography education, such as assisting teachers in classroom activities, organizing educational programs, and participating in school mapping projects.

Outcome:

The internship provided students with valuable practical experience and enhanced their skills in geospatial technologies, land surveying, and data analysis. It helped them gain insights into the industry practices and challenges and prepare them for future career opportunities in the field of geography.

Overall, the internship was a valuable learning experience for the II B.Sc., Geography and III B.Sc., Geography students of the Department of Geography (Unaided),

Vellalar College for Women. It helped them gain practical skills and knowledge that will benefit them in their future careers in the field of geography.

DEPARTMENT OF COMPUTER SCIENCE WITH CYBER SECURITY

I.Department Activities

SEMINAR

The Department of Computer Science with Artificial Intelligence organized one day seminar on “Unveiling Hidden Insights: Harnessing AI and ML for Intelligent Decision Making” on 01.08.2023. The resource person was **Dr. Padma Selvaraj, Associate Professor, Department of Computer Science & Technology, Madanapalle Institute of Technology & Science (Autonomous), Madanapalle, Andhra Pradesh.** Students from Department of Artificial Intelligence and Cyber Security nearly 220 students are actively participated. Students are learned about basic concepts in Artificial Intelligence & Its applications and Machine Learning.

SEMINAR

The Department of Computer Science with Cyber Security organized seminar on “Cyber Crime Awareness” on 18.08.2023. The resource person was **Mrs. J. Nithya, Women Head Constable, and Erode.** Students from Department of Computer Science with Cyber Security and Computer Science stream nearly 70 students are actively participated. In today’s Digital age, the rise of cybercrime has become a significant concern for individuals, organizations, and governments worldwide. This programme aims to enhance awareness about cybercrime, its various forms and provide guidance on safeguarding against potential threats.

Intercollegiate Meet – CYBER EXPO 2K23

Vellalar College for Women, Computer Science Stream organized an Intercollegiate Meet – CYBER EXPO 2K23 on 25.08.2023, the College principal Dr. S. K. Jayanthi presented the presidential address. **Dr. P. Narendran, Associate Professor & Head, Department of Computer Science (Aided), Controller of Examinations, Gobi Arts & Science College, Gobichettipalayam** acted as chief guest. He explored the concept of the entrepreneur and inspired the students to take part in activities hosted at other colleges to hone their abilities. Nearly 259 students from 20 Colleges in and around Erode and Coimbatore were participated. The event included four competitions Scramblers, Debugging, Master Mind & Tech Ad. The event provided an excellent platform for students from various colleges to showcase their talents and compete against each other. The students of our college did not participate in this event so as to give a fair judgment. The morning session began with registrations for the respective events which included Scramblers, Debugging & Master Mind. The post lunch session included Tech Ad and Valediction. The winners securing the first and second positions in each event were awarded with cash and certificates. Participant certificates were given to all the other participants. The Overall championship was won by the team of students from Department of Computer Science, Kongu Arts and Science College, Erode. The response received from various colleges and the feedback of the participants was positive which a great boost to the Computer Science Stream is. Overall the event was well organized and successful.

WORKSHOP

The Department of Computer Science with Cyber Security organized workshop on “SEO and Digital Marketing” on 29.08.2023. The resource person was **Mr.K.Boopathikumar, Ceo & Founder Training Trains, Erode**. Students from Department of Computer Science with Cyber Security nearly 105 students are actively participated. This workshop helps the students to gain a deeper understanding of SEO and digital marketing concepts, strategies, and best practices. Hands-on activities can help the students to develop and improve skills in areas such as keyword research, content optimization, social media marketing, and more. It also covers the latest trends, tools, and techniques in SEO and digital marketing.

TECHSEC SHOWCASE (Exhibition: Association Competition)

The Department of Computer Science with Cyber Security organized Exhibition on “TECHSEC SHOWCASE” was highly anticipated event that took place on 27.09.2023. The primary focus of this TechSec Showcase was to display various models and projects created by students, highlighting various aspects of cyber security. The event aimed to raise awareness about cyber threats and showcase innovative solutions to combat them. Students from Department of Computer Science with Cyber Security nearly 90 students presented a diverse range of models and projects, demonstrating their knowledge and skills in the field of cyber security. It Provide an excellent platform for students to exhibit their innovative models. It was a resounding success, and the exhibited models serve as an inspiration of future endeavors in the realm of cyber security. The prize winners of the competitions are first prize shared by 3 students are 1. Devadharshini .M 2. Jabin.A 3. Jeevitha .T and second prize shared by two students are 1. Janani .M 2. Radha .E

SEMINAR

The Department of Computer Science with Cyber Security organized Seminar on “Ethical Hacking” on 19.12.2023. The resource person was **Mrs.A.Abirami, Assistant Professor (SG), Department of Information Technology, Bannari Amman Institute of Technology, Sathyamangalam, Erode**. Students from Department of Computer Science with Cyber Security nearly 105 students are actively participated. The seminar provided an engaging and comprehensive overview of basic networking concepts, tools, and techniques in cybersecurity and ethical hacking. Students gained a solid understanding of networking fundamentals, cybersecurity threats, and ethical hacking practices. By learning about security measures and exploring various tools, they are better equipped to identify vulnerabilities and protect networks and systems against cyber threats. The seminar served as a valuable foundation for students interested in pursuing further studies or careers in the field of cybersecurity.

SPECIAL MEETING

The Department of Computer Science with Cyber Security and Department of Computer Science with Artificial Intelligence jointly organized special meeting on “Fly as Butterfly” on 18.08.2023. The resource person was **Mrs.N.Rajarajeswari Director & Trainer, Power IAS Academy -Erode**. Students from Department of Computer Science with Cyber Security and Artificial Intelligence, nearly 165 students were actively participated. The meeting planted seeds for long-term career exploration. Students began to think about how their interests and talents could translate into fulfilling and meaningful career paths, guiding their future educational and professional choices.

The collaboration between the Department of Computer Science with Cyber Security and Power IAS Academy to release a magazine focused on Group 4 exam preparation is truly commendable. This initiative will undoubtedly benefit aspiring candidates in their exam preparation journey by providing them with valuable study material and expert insights. It reflects a strong commitment to excellence and innovation in education and training, setting a high standard for future endeavors in the field. As a result, students can expect to receive comprehensive support and guidance to help them succeed in their exam and pursue a career in computer science and cyber security.

MoU SIGNED

An MOU was signed between the Department of Computer Science with Cyber Security, Information Technology with Abi Bridal Stylish and Aaras Beauty Care, Erode for organizing the value added course – Centre for Skill Enhancement “WELL GROOMED WOMEN” for the period of 1year in 2023-2024 for IInd Year students.

SCIENCE DAY

National Science Day is celebrated in India on February 28th each year to commemorate the discovery of the Raman Effect by Indian physicist Sir C.V. Raman in 1928. This significant discovery marked a major milestone in the field of science and earned Sir C.V. Raman the Nobel Prize in Physics in 1930. National Science Day is celebrated to honor this achievement and to promote the importance of science and its role in our daily lives.

The Science Department of Vellalar College for Women is set to organize a National Seminar on "Indigenous Technologies for Viksit Bharath" in honor of National Science Day on 27th to 29th February 2024. This prestigious event will take place at Kasthurba Gandhi Kalaiyarangam, providing a platform for students to come together and discuss the role of indigenous technologies in shaping a prosperous India. By organizing this National Seminar,

the Science Department of Vellalar College for Women reaffirms its commitment to promoting scientific advancements and celebrating the spirit of National Science Day.

The inaugural session commenced at 10 AM, Dr. N. Sabitha, Associate Professor & Head, Department of Nutrition and Dietetics, Vellalar College for Women welcomed the gathering. The Vellalar Educational Trust Secretary, Thiru. S.D. Chandrasekar, delivered the felicitation. Following this, the esteemed dignitaries graced the occasion by lighting the Kuthuvizhakku, a symbolic lamp that represents knowledge, wisdom, and enlightenment.

The inaugural address was rendered by Dr. S. Krishnakumar, Ministry of Defence, Defence Research & Development Organization (DRDO), Avadi, Chennai, addressed about incredible impact about the science and technology have on our lives and society. He motivates all the students to stay committed, persistent, and dedicated to your goals. He emphasizes the importance of SWOT Analysis with the students, in understanding the strengths, weaknesses, opportunities, and threats that may influence their personal and professional journeys. He also delivered a thought-provoking talk titled "Applications of AI and Robotics in the Modern World", emphasizing the most current developments in the use of robotics in both everyday life and the defense industry. He also facilitated a conversation among scholars about how to conduct fruitful research.

Opening remark was addressed by Dr. Subba Rao M Gavaravarpu, Scientist F, Sr- Deputy Director & Head, Nutrition Information Communication and Health Education Division, Ministry of Health & family Welfare, Government of India, Hyderabad. The Faculty members of the Department of Nutrition and Dietetics of Vellalar College for Women, Dr. N. Sabitha, Dr. V. Krithika, Dr. P. Vidya and Ms. A. Saranya have edited a Book on "A Visionary Volume on Home Science" with ISBN. This publication was first released by him. The wide object and scope of this book is to enhance the awareness in Home Science to develop professional skills, teaches entrepreneurship skills, guides to lead a healthy family life and to be a responsible citizen of the nation. This book benefits students, academicians and administrators to enrich their knowledge in home science and to perform well in the competitive exams. He also gave an enlightening discussion on "Demystifying Nutrition for a Sustainable Future: An Imperative," inspiring the audience to adopt responsible eating habits in order to build a future that is healthier, more equitable and environmentally sustainable.

Mr. T. R. Ramprasad, Principal Scientist and Associate Professor, Department of Biochemistry, CSIR-Central Food Technological Research Institute, Ministry of Science and Technology, Government of India, Mysuru, led a follow-up session on "Diet and Lifestyle Diseases". He addressed how diet and lifestyle contribute to the prevalence of diseases.

Nearly 2000 students had the opportunity to benefit from the Science Day seminar, gaining valuable insights into the profound influence of science and technology on our lives and society. The Science Department students are eager to present their innovative models from February 27th to 29th, 2024 in Non Residence Hall. This three-day event allows them to share their passion for scientific exploration, knowledge, creativity, and understanding with their peers, teachers, and guests. It provides an excellent opportunity for students to celebrate their achievements and contribute to the broader scientific community, ultimately encouraging the growth of scientific literacy and curiosity.

The Prize Distribution Ceremony honored outstanding students from the science stream who excelled in creating innovative models during Science Day. Their exceptional performances not only displayed their understanding of scientific concepts but also showcased their creativity and dedication. By recognizing their achievements, the ceremony not only celebrated their success but also inspired others to strive for greatness in the realm of science and technology.

The event ended with the vote of gratitude propounded by Dr.N.Vijaya, Associate Professor & Head, Department of Chemistry. She expressed gratitude to all participants, organizers, and attendees for their contributions and support. Her heartfelt appreciation highlighted the significance of the occasion and the importance of fostering a competitive yet supportive environment for the students' growth and development.
